The Sovereignty Of God By Arthur W Pink:

The Sovereignty of God Arthur Walkington Pink, 1961 **Sovereignty of God** Arthur W. Pink, 2008-08 Pink d 1953 is noted for his independent thinking He was so well read and had such a photographic memory that he could give you the page and column in a host of reference works and commentaries This book shocked the Christian world in 1919 when he published it He fiercely defends the sovereignty of God and all the cognate doctrines such as the Doctrines of Grace It is THE book to give to those just after conversion and a prime book to give to anyone who defends the free will of man Pink was a Baptist preacher who held pulpits in England America and Australia His early training was in scientology His conversion was instant and complete dedication to the cause of God and truth quickly became evident This early book by Pink lays Scripture end to end to prove God s control over all persons and events It is uncompromising and as such it raises the hackles on the necks of many new students of this doctrine Persons who knew Pink seldom objected to anything he taught because he could literally quote hundreds of verses of Scripture verbatim on the subject under discussion This book may be overwhelming but it is certain that its many printings have been used of God to convince people of His sovereignty The Banner of Truth has an edition of this book but they have abridged their edition by deleting the chapter on Reprobation If Pink were still alive he certainly would not have allowed this misrepresentation of his doctrinal belief that God both elects and reprobates as Romans 9 21 23 clearly teaches It is an important stone to guide the steps of those who are not yet convinced of God s absolute sovereignty over all persons and events The Sovereignty of God Arthur W. Pink, 2013-04-22 In the following pages an attempt has been made to examine anew in the light of God s Word some of the profoundest questions which can engage the human mind Oth ers have grappled with these mighty problems in days gone by and from their labors we are the gainers While mak ing no claim for originality the writer nevertheless has endeavored to examine and deal with his subject from an entirely independent viewpoint We have studied diligently the writings of such men as Augustine and Aquinas Calvin and Melancthon Jonathan Edwards and Ralph Erskine Andrew Fuller and Robert Haldane And sad it is to think that these eminent and honored names are almost entirely unknown to the present generation Though of course we do not endorse all their conclusions yet we gladly acknowledge our deep indebtedness to their works We have purposely refrained from quoting freely from these deeply taught theologians because we desired that the faith of our readers should stand not in the wisdom of men but in the power of God For this reason we have quoted freely from the Scriptures and have sought to furnish proof texts for every statement we have advanced Arthur Walkington Pink was an English Christian evangelist and Biblical scholar known for his staunchly Calvinist and Puritan like teachings Though born to Christian parents prior to conversion he migrated into a Theosophical society an occult gnostic group popular in England during that time and quickly rose in prominence within their ranks His conversion came from his father s patient admonitions from Scripture It was the verse Proverbs 14 12 there is a way which seemeth right unto a man but the end thereof are the ways of death which particularly

struck his heart and compelled him to renounce Theosophy and follow Jesus A. W. Pink A. W.
