Tokyo-Montana express Richard Brautigan, 2022 *The Tokyo-Montana Express* Richard Brautigan, 1988 A collection of one hundred and thirty one stations inspired by memories of Japan and Montana January July 1976 that seem to form a somewhat autobiographical work According to the author each section of the novel represented a separate stop along a journey a station along a metaphorical rail line joining Japan and Montana Common themes running through these stations include Brautigan's own disillusionment with aging the search for identity the diversity of human nature and cultural differences between Montana and Japan Richard Brautigan John F. Barber, 2014-12-09 Best known for his novel Trout Fishing in America American writer Richard Gary Brautigan 1935 1984 published eleven novels ten poetry collections and two story collections as well as five volumes of collected work several nonfiction essays and a record album of spoken voice recordings Brautigan's idiosyncratic style and humor caused him to be identified with the counterculture movement of the 1960s The authors of many of these 32 essays knew Brautigan personally and professionally others came to know and respect him through a cultivated connection with his writings The essays many of which are new others of which were published in obscure journals combine personal remembrance of the man and critical appraisal of his still controversial works Includes previously unpublished photographs and artworks *The Beijing-Vancouver Express: Connecting Toronto To Dalian, China to Canada* Martin Avery, 2014-06-28 The Beijing Vancouver Express Connecting Toronto To Dalian China To Canada is an imaginative work of poetry inspired by the plans for a real train line and by an old book of poetry by Richard Brautigan

Richard Brautigan Edward Halsey Foster, 1983 Biografie van de Amerikaanse auteur geb 1935 Jubilee Hitchhiker William Hjortsberg, 2012-04-01 Confident and robust Jubilee Hitchhiker is an comprehensive biography of late novelist and poet Richard Brautigan author of Troutfishing in America and A Confederate General from Big Sur among many others When Brautigan took his own life in September of 1984 his close friends and network of artists and writers were devastated though not entirely surprised To many Brautigan was shrouded in enigma erratic and unpredictable in his habits and presentation But his career was formidable an inspiration to young writers like Hjortsberg trying to get their start Brautigan's career wove its way through both the Beat influenced San Francisco Renaissance in the 1950s and the Flower Power hippie movement of the 1960s while he never claimed direct artistic involvement with either period Jubilee Hitchhiker also delves deeply into the spirited times in which he lived As Hjortsberg guides us through his search to uncover Brautigan as a man the reader is pulled deeply into the writer's world Ultimately this is a work that seeks to connect the Brautigan known to his fans with the man who ended his life so abruptly in 1984 while revealing the close ties between his writing and the actual events of his life Part history part biography and part memoir this etches the portrait of a man destroyed by his genius *The Buddha in the Machine* R. John Williams, 2014-06-24 The writers and artists described in this book are joined by a desire to embrace Eastern aesthetics as a means of redeeming Western technoculture The assumption they all share is that at the core

of modern Western culture there lies an originary and all encompassing philosophical error and that Asian art offers a way out of that awful matrix That desire this book attempts to demonstrate has informed Anglo and even Asian American debates about technology and art since the late nineteenth century and continues to skew our responses to our own technocultural environment Richard Brautigan's Trout Fishing in America, The Pill versus the Springhill Mine Disaster, and In Watermelon Sugar Richard Brautigan,1989-03-01 Collected in one volume three counterculture classics that embody the spirit of the 1960s Included here are three great works by the incomparable Richard Brautigan Trout Fishing in America is by turns a hilarious playful and melancholy novel that wanders from San Francisco through the country s rural waterways a book that has very little to do with trout fishing and a lot to do with the lamenting of a passing pastoral America An instant cult classic Financial Times The Pill Versus the Springhill Mine Disaster is a collection of nearly one hundred poems first published in 1968 And In Watermelon Sugar expresses the mood of a new generation revealing death as a place where people travel the length of their dreams rejecting violence and hate During his lifetime Look magazine observed Brautigan is joining Hesse Golding Salinger and Vonnegut as a literary magus to the literate young A uniquely imaginative writer of the Beat movement who became an icon of the hippie era he is still a favorite of readers today *Fantasy and Mimesis (Routledge Revivals)* Kathryn Hume,2014-08-01 Since Plato and Aristotle s declaration of the essence of literature as imitation western narrative has been traditionally discussed in mimetic terms Marginalized fantasy the deliberate from reality has become the hidden face of fiction identified by most critics as a minor genre First published in 1984 this book rejects generic definitions of fantasy arguing that it is not a separate or even separable strain in literary practice but rather an impulse as significant as that of mimesis Together fantasy and mimesis are the twin impulses behind literary creation In an analysis that ranges from the Icelandic sagas to science fiction from Malory to pulp romance Kathryn Hume systematically examines the various ways in which fantasy and mimesis contribute to literary representations of reality A detailed and comprehensive title this reissue will be of particular value to undergraduate literature students with an interest in literary genres and the centrality of literature to the creative imagination *The Temporal Mechanics of the Fourth Gospel* Douglas Charles Estes,2008-03-31 Spiritual but broken theological but flawed these are the words critics use to describe the Gospel of John Compared to the Synoptics John s version of the life of Jesus seems scrambled especially in the area of time and chronology But what if John s textual and temporal flaws have more to do with our implicit assumptions about time than a text that is truly flawed This book responds to that question by reinventing narrative temporality in light of modern physics and applying this alternative temporal lens to the Fourth Gospel From the singularity in the epic prologue to the narrative warping of event like objects this work explodes the elemental temporalities simmering below the surface of a spiritual yet superior Gospel text Richard Brautigan Marc Chénétier,2019-10-08 Few contemporary American writers have been subjected to as much laudatory abuse as Richard Brautigan who having become famous in the 1960s was made a cult figure

for the hippy generation and was systematically refused recognition as a major novelist once the sentimental wave of the greening of America had passed Marc Chretien's study originally published in 1983 was the first book to attempt to assess Brautigan's writing art which far from weakening over the years had become amid critical indifference more secure in its techniques more all encompassing in its strategy and more iconoclastic in its goals In analysing most of Brautigan's fictional works in the light of his poetics it examines the mechanisms of his metafictional and deconstructive offensive and indicates the direction in which Brautigan was moving at the time

The Book Review, 1983 *Call If You Need Me* Raymond Carver, 2016-01-28 When he died in August 1988 Raymond Carver had just published what were thought to be his last stories in the collection entitled *Elephant* and his own collection of stories *Where I'm Calling from* Five previously unpublished stories have recently been discovered and this new volume brings together all of his uncollected fiction including a fragment of an unfinished novel five early stories and all of his non fiction prose Three of these late found stories are fine examples of Carver's late open style while two date from his middle period The non fiction prose includes all of his essays together with occasional commentary on his own fiction and poetry writings on the American short story and reviews of work by his contemporaries among them Donald Barthelme Richard Brautigan Jim Harrison Thomas McGuane and Richard Ford Also included is Carver's latest essay *Friendship* about a London reunion with Richard Ford and Tobias Wolff *Call If You Need Me* takes us into Carver's workshop and alongside *All of Us* *The Collected Poems* and *Where I'm Calling from* *The Selected Stories* completes the picture of one of the most original writers in the English language of his generation

Trout Fishing in America Richard Brautigan, 2010-01-19 A book that has very little to do with trout fishing and a lot to do with the lamenting of a passing pastoral America an instant cult classic *Financial Times* Richard Brautigan was a literary idol of the 1960s and 70s who came of age during the heyday of Haight Ashbury and whose comic genius and iconoclastic vision of American life caught the imaginations of young people everywhere Called the last of the Beats his early books became required reading for the hip generation and on its publication *Trout Fishing in America* became an international bestseller An indescribable romp the novel is best summed up in one word mayonnaise This

new edition features an introduction by poet Billy Collins who first encountered Brautigan's work as a student in California. From the introduction, Trout Fishing in America is a catchphrase that morphs throughout the book into a variety of conceptual and dramatic shapes. At one point it has a physical body that bears such a resemblance to that of Lord Byron that it is brought by ship from Missolonghi to England in 1824 where it is autopsied. Trout Fishing in America is also a slogan that sixth graders enjoy writing on the backs of first graders. In one notable exhibition of the title's variability, Trout Fishing in America turns into a gourmet with a taste for walnut catsup and has Maria Callas for a girlfriend. Through such ironic play, Brautigan destabilizes any conventional idea of a book as he begins to create a world where things seem unwilling to stay in their customary places. California History, 2000. *Revenge of the Lawn, The Abortion, and So the Wind Won't Blow It All Away*. Richard Brautigan, 1995-02-21. Three masterpieces by the counterculture's Mark Twain collected in one volume including the lost chapters of Trout Fishing in America. The New York Times Book Review. An author who began his career handing out his work on the streets of San Francisco and went on to become an underground icon of the 1960s and 70s before his tragic suicide. Richard Brautigan gained a unique literary reputation for such works as *In Watermelon Sugar* as well as for his gentle spirit, satirical wit, and whimsical elliptical style. This volume includes three of his most prominent works: *Revenge of the Lawn*. Originally published in 1971, these bizarre flashes of insight and humor cover everything from a high building in Singapore to the Perfect California Day. This is Brautigan's only collection of stories and includes *The Lost Chapters of Trout Fishing in America*. *The Abortion: An Historical Romance*, 1966. A public library in California where none of the books have ever been published is full of romantic possibilities. But when the librarian and his girlfriend must travel to Tijuana, they have a series of strange encounters in Brautigan's 1971 novel *So the Wind Won't Blow It All Away*. It is 1979 and a man is recalling the events of his twelfth summer when he bought bullets for his gun instead of a hamburger. Written just before his death and published in 1982, this novel foreshadowed Brautigan's suicide. It's very hard to label his work. Fairytale meets beat meets counterculture. Surrealism meets folk meets scat. The writing is bursting with colour, humour, and imagery, mental flights of fancy, crazed and lurid details. The more you read, the less there seem to be regulations and governing forces, ways of qualifying Brautigan. The mind of the author is simply too unbound, too childlike in its enormous regenerative capacity to imagine. *The Guardian*. National Union Catalog, 1980, 1981. **National Union Catalog**, 1980. Includes entries for maps and atlases. *Waltzing with the Captain*. Greg Keeler, 2004. A memoir of the poet Richard Brautigan.
