Shan,2014-01-02 Can you kidnap a zombie Can money buy your life Or can you only fight for it B Smith has met her darkest challenge yet **New Directions in Children's Gothic** Anna Jackson,2017-03-27 Children s literature today is dominated by the gothic mode and it is in children s gothic fictions that we find the implications of cultural change most radically questioned and explored This collection of essays looks at what is happening in the children s Gothic now when traditional monsters have become the heroes when new monsters have come into play when globalisation brings Harry Potter into China and yaoguai into the children s Gothic and when childhood itself and children s literature as a genre can no longer be thought of as an uncontested space apart from the debates and power struggles of an adult domain We look in detail at series such as The Mortal Instruments Twilight Chaos Walking The Power of Five Skulduggery Pleasant and Cirque du Freak at novels about witches and novels about changelings at the Gothic in China Japan and Oceania and at authors including Celia Rees Frances Hardinge Alan Garner and Laini Taylor amongst many others At a time when the energies and anxieties of children s novels can barely be contained anymore within the genre of children s literature spilling over into YA and adult literature we need to pay attention Weird things are happening and they matter **Molls Like It Hot** Darren Dash,2019-12-05 Eyrie Brown used to serve in the Army until a tragic loss forced him to return to civilian life earlier than planned Now he drives one of London s iconic black cabs On a dark wet night he gives a lift to a wounded gangster and everything changes from that point on When the mob lord gets in touch later offering Eyrie a small fortune if he will take care of a mysterious young woman for a weekend Eyrie is hesitant He can see trouble ahead but the money will change his life so he reluctantly agrees to become a temporary guardian But murder is on the cards and his vengeful moll turns out to be far more of a handful than he had ever anticipated As twist follows twist and bodies start to mount Eyrie gets backed into a blood soaked corner and must resort to desperate inventive measures if he is to stand any chance of seeing his mission through and making it out of the weekend alive Fast paced action packed London based crime thriller perfect for fans of Ian Rankin Chris Brookmyre LJ Ross Alex Smith and JD Kirk A thrilling tale loaded with bullets bloodshed and bodies Kirkus Molls Like It Hot is perfect for noir detective readers who like their stories unpredictable multifaceted and hard to put down Midwest Book Review A wily tale of double and triple crosses you absolutely won t see coming This is a fast ferocious and fun read The US Review of Books Dash has delivered a wickedly entertaining slice of British noir Self Publishing Review This book reads like a Tarantino movie script packed with fast paced action blood guts and gore It is fantastically entertaining San Francisco Book Review *An Other Place* Darren Dash,2016-12-01 Get ready to enter the dark disturbing waters of a dystopian sci fi world in this widely praised mind bending trip to An Other Place where time and space are fluid where the moon changes colour and savage beasts run wild where teeth are used as currency and love making is a perilous proposition where cannibalism occasionally comes into fashion and the dead are swiftly forgotten where strange sandmen offer sanctuary in times of danger and a mysterious Alchemist rules over all When Newman Riplan s flight into the unknown turns into a

nightmarish slide between worlds he must explore an unnamed city where unpredictable terrors are the norm By the end of his first day adrift his life has spun completely out of his control but the most mind twisting and soul crushing revelations are only beginning As he desperately searches for meaning and a way out he starts to realise that perhaps only madness can provide him with the answers while surrender might offer him his only true hope of escape

REVIEWS This is by far the best book of 2016 possibly the best book of this decade the illegitimate love child of Kafka and Rod Serling throwing in a dash of Ray Bradbury for good measure 5 5 brilliant Just brilliant Kelly Smith Reviews An Other Place sees an imaginative writer at the top of his craft It brings to mind The Twilight Zone yet even Rod Serling himself would have struggled to come up with an alternate world so completely off the wall and yet oddly meaningful as Dash has here 9 10 stars Starburst Darren Dash has opened a new artery of terror unlike any book I have ever read hints of The Twilight Zone Pines and Station Eleven The Literary Connoisseur Its luckless hero moves from ghastly scenarios to even ghastlier scenarios with such horrid reliability that his story reads like extreme black comedy 4 5 stars SFX Lewis Carroll L Frank Baum and Brett Easton Ellis may have written some weird stuff but An Other Place tops all of it both in terms of re readability and overall scope Dread Central This book really did blow my mind each page turn was both chilling and thrilling in equal measure the conclusion left me with goosebumps 5 5 Rachel Hobbs author of Shadow Stained Dash s surreal tale has its share of unsettling moments There s also an abundance of intriguing peculiarities An often baffling tale but its protagonist s wry commentary is undeniably entertaining Kirkus a Recommended Read An Other Place is a deliciously quirky novel that is surreal and powerful in equal measure This is by far Dash s best work to date It is challenging and absurd artistically brave and politically conscious but this abstract painting of a novel is one thing above all else completely original Books Films Random Lunacy This story had me hooked from the get go an ending that sent my mind into a spin 5 stars Reviews And Randomness This book is utterly unique I was amazed at how well Dash could create this baffling world from scratch and draw me into it so completely 5 stars A Place In Which Jessie Writes If Jonathan Swift wrote horror he might have written An Other Place Powerful imaginative and occasionally disturbing An Other Place will linger in the reader s mind long after the last page is turned Safie Maken Finlay author of The Galian Spear

Midsummer's Bottom Darren Dash, 2018-06-21 The Midsummer Players stage an outdoor version of A Midsummer Night s Dream every year The actors are dreadful and audience members almost never attend more than once Except for the fey folk All of the fairies named in the play are obliged to attend every performance due to a deal that they struck with a mischievous Master Shakespeare In an attempt to break up the Players on the eve of their twentieth anniversary Oberon and Puck hire a human agent of chaos to infiltrate the actors ranks and set them against one another by focusing on secret attractions and grudges that have been lying dormant up to now Sparks will fly and everyone will come to blows but it s all executed with a wink and a grin and there will be more smiles than tears by the end At least that s the plan This comedic fantasy is for lovers of Shakespeare chaos and fairies everywhere

REVIEWS A clever and kinky theatrical romp

with a big heart Kirkus It is comedic a little hectic and the strength of its rich cast keeps things moving at a delightfully entertaining pace this unique tale is that rare reimagination of elements of a classic story that captures all the comedy drama and emotional satisfaction of its original and in some ways exceeds them US Review of Books Recommended read
