The Whisper Of The River By Ferrol Sams:

The Whisper of the River Ferrol Sams, 1986-02-04 The bittersweet and very funny story of a young man's journey to adulthood that the Nashville Banner called Americana at its best Young for his class and small for his age Porter Osborne Jr leaves his rural Georgia home in 1938 to meet the world at Willingham University armed with the knowledge that he has been Raised Right in the best Baptist tradition What happens over the next four years will challenge the things he holds infallible his faith his heritage and his parents omniscience As we follow Porter's college career full of outrageous pranks and ribald humor we sense a quiet constant flow toward maturity Peppered with memorable characters and resonant with details of place and time *The Whisper of the River* is filled with the richness of spirit that makes great fiction Wry incisive delicately structured emotionally complex and hilarious Atlanta Magazine

Rhythms Richard Francis Wilson, 2002 *Rhythms Sermons* for a Community of Faith and Learning is a collection of selected sermons and responsive readings written by Mercer University's Dean of the Chapel and delivered at the university's weekly gathering of worship and praise The first sermon *Rhythms* was the first sermon Wilson preached as Dean of the Chapel and won first prize in the HarperCollins Best Sermons competition of 1991

God Speaks to Us, Too Susan M. Shaw, 2021-10-21 Raised as a Southern Baptist in Rome Georgia Susan M Shaw earned graduate degrees from the Southern Baptist Theological Seminary in Louisville Kentucky was ordained a Southern Baptist minister and prepared herself to lead a life of leadership and service among Southern Baptists However dramatic changes in both the makeup and the message of the Southern Baptist Convention during the 1980s and 1990s a period known among Southern Baptists as the Controversy caused Shaw and many other Southern Baptists especially women to reconsider their allegiances In *God Speaks to Us Too* Southern Baptist Women on Church Home and Society Shaw presents her own experiences as well as those of over 150 other current and former Southern Baptist women in order to examine the role identity and culture of women in the largest Protestant denomination in the country The Southern Baptist Convention was established in the United States in 1845 after a schism between Northern and Southern brethren over the question of slavery Shaw sketches the history of the Southern Baptist faith from its formation through its dramatic expansion following World War II to the Controversy and its aftermath The Controversy began as a successful attempt by fundamentalists within the denomination to pack the leadership and membership of the Southern Baptist Convention the denomination's guiding body with conservative and fundamentalist believers Although no official strictures prohibit a Southern Baptist woman from occupying the primary leadership role within her congregation or her own family rhetoric emanating from the Southern Baptist Convention during the Controversy strongly discouraged such roles for its women and church leadership remains overwhelmingly male as a result Despite the vast difference between the denomination's radical beginnings and its current position among the most conservative American denominations freedom of conscience is still prized Shaw identifies soul competency or the notion of a free soul that is responsible for its own decisions as the principle

by which many Southern Baptist women reconcile their personal attitudes with conservative doctrine These women are often perceived from without as submissive secondary citizens but they are actually powerful actors within their families and churches God Speaks to Us Too reveals that Southern Baptist women understand themselves as agents of their own lives even though they locate their faith within the framework of a highly patriarchal institution Shaw presents these women through their own words and concludes that they believe strongly in their ability to discern the voice of God for themselves

Preachers and Misfits, Prophets and Thieves G. Lee Ramsey,2008-01-01 In this compelling book G Lee Ramsey Jr mines the riches of southern fiction and discovers a colorful assortment of ministers who arise out of the religious South At once mystical and mischievous these ministers haunt the margins of southern life while preaching a gospel that startles and compels But their oddness is also their appeal and part of their gift For through these colorful portraits of Christian ministry today s readers are challenged to think about what matters in ministry and to re imagine ministry in ways that bring new life to the church and community Throughout Ramsey shows how ministers such as Roger Hagan in Will Campbell s The Conventionand Hazel Motes in Flannery O Connor s Wise Bloodcan help show us the stumbling blocks to faithful ministry and steer clergy and congregations forward in today s world **Chances and Choices** Jackie K. Cooper,2001 **When We Talk about God, Let's Be Honest** R. Kirby Godsey,2006 This is a thought provoking book that deals with practical issues of the Christian faith It illuminates a number of misconceptions based on social customs or traditions regarding grace faith salvation judgment and other basics of the Christian religion *After O'Connor* Hugh Ruppersburg,2003 Georgia has produced some of the major figures of modern literature including Carson McCullers Erskine Caldwell and most notably Flannery O Connor While such writers are firmly established in American literary history all too few readers are aware of how the state s tradition of literary excellence persists in the present day The thirty stories in After O Connor were written during the past fifteen years by authors who were born in Georgia or spent a significant part of their lives and careers in this state Embracing the social cultural and ethnic variety in today s Georgia After O Connor both advances and helps redefine the great southern storytelling tradition The Companion to Southern Literature Joseph M. From Generation to Generation
Charles R. Foster, 2012-10-02 Mainline Protestant congregations face a profound adaptive challenge In the midst of significant social cultural and technological change the denominations they represent generally abandoned a view of education capable of maintaining and renewing their faith traditions through their children and youth New curriculum resources and innovative pedagogical strategies appropriated from the marketplace of religious education options have not met the challenge A transformation of consciousness is required in congregations seeking a future through their children It involves the exercise of an ecclesial imagination to reclaim a view of education rooted in the revitalization of their religious traditions in the past and re envisioning the congregation as a catechetical culture of faith formation

Walsh, 2012-02-29. A. R. Ammons was asked if he agreed that the United States has not produced a major poet in the last 30 years. I agree. The poetry in the country has become sort of a company affair where support for the arts has just about ruined the arts and the system of bureaucrats managing the funds being developed here and there is turning into trade unionism which may be the best way to write poetry but it is unfamiliar to me. This comprehensive collection contains 31 interviews in which Southern writers talk about their craft, the Southern literary scene and themselves. Poets, short story writers and novelists include firmly established writers side by side with emerging talent. Lee Smith, James Dickey, Harry Crews, Pat Conroy, Doris Betts, Pulitzer Prize winner Donald Justice and 25 others. **My Daddy Was a Pistol and I'm a Son of a Gun** Lewis Grizzard, 2012-10-01. Lewis Grizzard always makes us laugh. But this time when he tells us all about his father, a certified war hero and a shameless passer of bad checks, a charmer of men and women and a consummate con artist, a man of great courage and an alcoholic destined to drink himself to death, he's going to make us cry too. And he's going to give us a hilarious, moving account of that tender, spooky territory, that country of the heart inhabited by fathers and sons. **Library Journal**, 1992. *American Bookseller*, 1990.
