The Woman In The Wall By Patrice Kindl:

The Woman in the Wall Patrice Kindl, 1997-03-31 And hide is what Anna does throughout the course of this amazing book She retreats into the fabric of a big old house building a series of passageways and secondary walls that allow her to share the life of the house unseen by her mother and sisters As Anna says her family is not observant But Anna herself is a quirky and perceptive witness to the life she has chosen to escape Then a mysterious message is thrust through a crack in the wall a message that gives Anna a reason to emerge Once again Patrice Kindl has created a magical world and an irresistible heroine

Crossover Picturebooks Sandra L. Beckett, 2013-06-17 This book situates the picturebook genre within the widespread international phenomenon of crossover literature examining an international corpus of picturebooks including artists books wordless picturebooks and celebrity picturebooks that appeal to readers of all ages Focusing on contemporary picturebooks Sandra Beckett shows that the picturebook has traditionally been seen as a children's genre but in the eyes of many authors illustrators and publishers it is a narrative form that can address any and all age groups Innovative graphics and formats as well as the creative often complex dialogue between text and image provide multiple levels of meaning and invite readers of all ages to consider texts that are primarily marketed as children's books The interplay of text and image that distinguishes the picturebook from other forms of fiction and makes it a unique art form also makes it the ultimate crossover genre Crossover picturebooks are often very complex texts that are challenging for adults as well as children Many are characterized by difficult adult themes genre blending metafictional discourse intertextuality sophisticated graphics and complex text image interplay Exciting experiments with new formats and techniques as well as novel interactions with new media and technologies have made the picturebook one of the most vibrant and innovative contemporary literary genres one that seems to know no boundaries Crossover Picturebooks is a valuable addition to the study of a genre that is gaining increasing recognition and appreciation and contributes significantly to the field of children's literature as a whole

Rhetorics of Fantasy Farah Mendlesohn, 2014-01-01 This sweeping study of fantasy literature offers new and often surprising readings of works both familiar and obscure A fine critical work Journal of the Fantastic in the Arts Transcending arguments over the definition of fantasy literature Rhetorics of Fantasy introduces a provocative new system of classification for the genre Drawing on nearly two hundred examples of modern fantasy author Farah Mendlesohn identifies four categories portal quest immersive intrusion and liminal that arise out of the relationship of the protagonist to the fantasy world Using these sets Mendlesohn argues that the author's stylistic decisions are then shaped by the inescapably political demands of the category in which they choose to write Each chapter covers at least twenty books in detail ranging from nineteenth century fantasy and horror to some of the best works in the contemporary field Mendlesohn discusses works by more than one hundred authors including Lloyd Alexander Peter Beagle Marion Zimmer Bradley John Crowley Stephen R Donaldson Stephen King C S Lewis Gregory Maguire Robin McKinley China Miéville Suniti Namjoshi

Woznick, Carol D. Goodheart, 2001-09-15 Like a natural disaster the diagnosis that your child has cancer can leave you and your family feeling helpless How do you explain the disease to the child and to his or her siblings How can you communicate your child's needs to the hospital staff What are the best ways to reduce the physical side effects and the emotional distress of treatment How will you your child or teenager and the rest of your family cope with cancer and what can you do to help When and where do you find good psychological help for your child or your family How do you manage financial and school issues How can you foster your child's development and self esteem More than 12 000 American children will be diagnosed with cancer this year and roughly 75% will survive In addition to excellent medical care their survival depends on a strong support network which may include parents siblings extended family members friends and neighbors classmates and teachers In this down to earth guidebook the authors draw

on their own family's experience with cancer as well as their professional expertise and stories from others to help families address the psychological impact of cancer. The result is a book filled with sound emotional guidance, useful information, and practical advice for families coping with cancer.

Humor in Young Adult Literature Walter Hogan, 2005 Celebrates the accomplishments of YA authors acclaimed for producing high quality comedies who have not yet been treated in a book length bio critical study. Simultaneously it reminds readers that no matter how funny an author of fiction may be if he shows off his wit in ways that fail to play a natural role in advancing his narrative he is not writing good fiction. To demonstrate this humorous passages are presented to illustrate the contribution a sense of humor can make to a work of fiction. The book is arranged topically to facilitate a comparison of distinctive treatments by various authors of adolescent life events such as sibling rivalry, bullies, and first dates.
