Vanity Fierce Graeme Aitken,2012-08-01 Graeme Aitken s last novel was fabulous in fifty ways This novel is fabulous in fifty different ways bitchy funny camp tender vain glamorous capricious seductive like Sydney itself where this tale of the city is set The ultimate comic novel of gay Sydney Armistead Maupin meets Melrose Place at the Mardi Gras Stephen Spear is everyone s golden boy including his own Blond blue eyed blessed with every talent and advantage he has the world falling at his feet And he s ready to trample all over it When Stephen falls for Ant the only gay man he knows who still has chest hair he is astounded to find his desire unrequited Or is it Ant is so inscrutable it s impossible to be entirely sure But Stephen is determined to get his man And if the wiggle of his cute butt isn t enough then scheming lying and manipulating is second nature to him He s too young to realise that love can be tricky enough without adding any extra complications Vanity Fierce is a love story that s big on outrageous schemes dark secrets and firm muscles **A Special Illumination** Rollan McCleary,2017-07-28 Gay spirituality represents a hidden strand in Western thought that was only publically declared from the Gay Liberation of the 1970s Since coming out expressions of gay spirituality have proliferated in both number and diversity Beginning with gay theology within Christianity the phenomenon has now reached as far as Buddhism and neo paganism But so far critical analysis of the movement has been very limited largely because gay spirituality has been treated as a political and social movement arguing for rights and acceptance within religious circles A Special Illumination offers an indepth analysis and argues that gay spirituality should be placed at the heart of religion The Indignities Graeme Aitken,2010 The Indignities by Graeme Aitken the glittering sequel to Vanity Fierce Random House 1986 In Vanity Fierce Stephen Spear went to extreme lengths to snare his man In this comic sequel Stephen ingeniously bypasses his landmark 30th birthday only to have the cosy life he took for granted unravel completely Abandoned by friends and lovers he finds distraction in online dating websites and real life impersonations But has Stephen met his match in Damon the wicked witch of the inner west whose conniving tricks threaten to eclipse Stephen s own antics Life for Stephen beyond his twenties just seems fraught with heartaches deception and humiliation The Indignities a witty sexy satire on contemporary gay Sydney life
