In the Cold of the Malecon and Other Stories Antonio José Ponte,2000-10 Departing from both the utopian political and the romantic baroque styles of past Cuban literature Ponte deftly sketches a picture of a contemporary Cuba that is very different from the stereotype of Caribbean life full of music and dance and colorful celebration An old man and a six year old prodigy have a rendezvous to play chess at a forlorn railroad station Randomly riding trains a woman keeps company with a strange assembly of men An unemployed historian falls in love with an enigmatic astrologer and the two live out their tragedy in the streets of Havana as homeless vagrants A father and son take an aimless stroll after lunch to see the whores along the Malecon Havana s seaside promenade A young man one of the last Cuban students to go to the Soviet Union on a foreign study program returns to Havana where he explores his identity looking at childhood photos with his grandfather spending time with old friends and obsessively seeking news of a woman he had known and loved in Russia In a style both lucid and translucent Ponte shapes intricate stories of self discovery and metaphysical revelation in spare and allusive prose About the Authors Antonio Jose Ponte was born in 1964 in Matanzas Cuba and studied at the University of Havana He worked for some years as an engineer and then as a screenwriter In addition to writing short stories and fiction Ponte has published prize winning collections of poetry and essays His work has been published in France Germany and Spain This is his first book to be published in the United States Cola Franzen is the translator of over twenty books including Poems of Arab Andalusia Dreams of the Abandoned Seducer by Alicia Borinsky and Horses in the Air by Jorge Guillen recipient of the Academy of American Poets Harold Morton Landon Translation Award 2000 Review In his first book to be published in the U S Ponte gives readers a short collection of six elliptical stories from inside the Cuban revolutionary experience closer in spirit to the fiction of Eastern European dissidents than to that of Caribbean fabulists unlike exiled writers who see the island as either a mythical homeland or a political cause

Cloverfield Steffen Hantke,2023-08-16 Upon its release in 2008 Matt Reeves s Cloverfield revitalized the giant creature a cinematic trope that had languished for over a decade The film addressed the attacks of September 11 2001 trading the jingoistic rhetoric of retributive military aggression for serious engagement with personal and collective trauma It applied the horror genre s fascination with personal stories captured by found footage to the grand violence of history Innovative and intense Cloverfield represented blockbuster filmmaking at its best Cloverfield s franchising followed the path of high profile Hollywood properties This volume provides the first comprehensive overview of the franchise measuring how it steers precariously between the commercial potential creative risks and political challenges in Hollywood As 10 Cloverfield Lane

2016 and *The Cloverfield Paradox* 2018 struggled to sustain and update the franchise's original concept both films strengths and weaknesses come into focus by comparison with the original just as the historical sequence of all three films allows for a reassessment of Cloverfield itself Author Steffen Hantke examines how in the broader context of postmillennial Hollywood the Cloverfield franchise remains both a harbinger of the way Hollywood does business and a test case for the cinematic fantasies of apocalyptic disaster that continue to dominate global box office long after the Cold War that gave rise to giant creatures has ended and 9/11 has lost its hold on the global imagination As an inspiration for the next stage of blockbuster filmmaking in which franchises have replaced the singular cinematic masterpiece and marketing plays to fans as critics and scholars Cloverfield remains as relevant today as when it first unleashed its giant creature onto New York City over a decade ago
