the history and current state of children's literature tempestuous relationship with both implicit and explicit forms of racism. The book fearlessly examines topics both vivid such as *The Cat in the Hat's* roots in blackface minstrelsy and more opaque like how the children's book industry can perpetuate structural racism via whitewashed covers even while making efforts to increase diversity. Rooted in research yet written with a lively crackling touch, Nel delves into years of literary criticism and recent sociological data in order to show a better way forward. Though much of what is proposed here could be endlessly argued, the knowledge that what we learn in childhood imparts both subtle and explicit lessons about whose lives matter is not debatable. The text concludes with a short and stark proposal of actions everyone—reader, author, publisher, scholar, citizen—can take to fight the biases and prejudices that infect children's literature. While *Was the Cat in the Hat Black* does not assume it has all the answers to such a deeply systemic problem, its audacity should stimulate discussion and activism.

DiCesare's view of life was forever changed by a series of horrifying events in and around his dorm room C2D1 of Erie Hall. From early February through late April of 1985, he and his college friends would endure what is now called The C2D1 Haunting. Apparitions, sighted strange voices, heard moving objects, witnessed and physical attacks—all became part of the ordeal shared by Chris, who quickly became the focal point of the haunting. Featured on the SyFy channel's show *School Spirits*, Please Talk with Me premiered at SCARE A CUSE on September 14th, 2012, along with a companion book by the Rev. Tim Shaw. Historic relevancy, individual morality, and the application of the paranormal experience in relation to free will are all deftly addressed in the context of the ten-week haunting by the person who witnessed it first hand and survived it. **For Younger Readers**, 2014 **Get Those Guys Reading!** Kathleen A.
