Body Charlie Huston,2010-08-05 As the concluding volume of this highly acclaimed series opens Joe has spent a year splashing around in the city s sewer system protecting the perimeters of the ground on which his love Evie now lives Above ground Manhattan s Vampyre clans have at last abandoned any claims on civility and have finally sprung fully for each others throats But as Vampyre civil war rages Joe is tracked down by an old acquaintance and pulled back to the surface At last the many questions that have driven him will be put to rest and the many friends and foes who have defined his world will either be put in the ground or will claw their way to survival The carefully maintained peace is forgotten When the stakes are this high there can be no neutrality only winners and losers But when the blood stops flowing what side will Joe Pitt be on

Every Last Drop Charlie Huston,2010-08-05 After a year hiding out in the Bronx Joe Pitt is given an assignment he can t refuse One Clan needs Joe to inform on another but he s playing them both while keeping his eye on the main prize his girl Evie is on the Island somewhere and he ll do anything to get her back And in this case anything means coming face to face with the horrendous secret that lies beneath the Vampyre world It s a quest that will drive him to the heart of the two most perplexing mysteries of the Vampyre community how were the Clans originally formed and where do the powerful ones get all that blood The search for the answer takes Joe to a dark corner of Queens puts him face to face with a mythic and savage Clan and leaves him in possession of a vision he ll never scrape off his retinas as well as a bargaining chip that redefines his place in the Vampyre universe **The Essential Mystery Lists** Roger M Sobin,2011-09-30 For the first time in one place

Roger M Sobin has compiled a list of nominees and award winners of virtually every mystery award ever presented He has also included many of the best of lists by more than fifty of the most important contributors to the genre Mr Sobin spent more than two decades gathering the data and lists in this volume much of that time he used to recheck the accuracy of the material he had collected Several of the best of lists appear here for the first time in book form Several others have been unavailable for a number of years Of special note are Anthony Boucher s Best Picks for the Year Boucher one of the major mystery reviewers of all time reviewed for The San Francisco Chronicle Ellery Queen Mystery Magazine and The New York

Times From these resources Mr Sobin created Boucher's Best and Important Lists to Consider lists that provide insight into important writing in the field from 1942 through Boucher's death in 1968 This is a great resource for all mystery readers and collectors Winner of the 2008 Macavity Awards for Best Mystery Nonfiction **Library Journal**, 2008 *The Washington Post Index*, 2008 **Every Last Drop** Charlie Huston, 2008 Charlie Huston's action scenes are unparalleled in crime fiction and his dialogue is so hip and dead on that Elmore Leonard should be getting nervous Publishers Weekly starred review on *Half the Blood of Brooklyn* It's like this a series of bullet riddled bad breaks has seen rogue Vampyre and terminal tough guy Joe Pitt go from PI for hire to Clan connected enforcer to dead man walking in a New York minute And after burning all his bridges the only one left to cross leads to the Bronx where Joe's brass knuckles and straight razor can't keep him from running afoul of a sadistic old bloodsucker with a bad bark and a worse bite Even if every Clan in Manhattan is hollering for Joe's head on a stick it's got to be better than trying to survive in the outer borough wilderness So it's a no brainer when Clan boss Dexter Predo comes looking to make a deal All Joe has to do to win back breathing privileges on his old turf is infiltrate an upstart Clan whose plan to cure the Vyrus could expose the secret Vampyre world to mortal eyes and set off a panic driven massacre Not cool But Joe's all over it To save the Undead future he just has to wade neck deep through all the archenemies former friends and assorted heavy hitters he's crossed in the past No sweat Maybe not but definitely more blood than he's ever seen or hungered for And maybe even some tears over the horror and heartbreaking truth about the evil men do no matter who or what they are Praise for Charlie Huston and his Joe Pitt novels In conceiving his world a New York City divided by vampire clans each with different reasons to hate Pitt Huston gives a fading genre a fresh afterlife Grade A Entertainment Weekly Huston creates a world that is at once supernatural and totally familiar imaginative and utterly convincing The Philadelphia Inquirer **My Dead Body** Charlie Huston, 2009-10-13 Nobody lives forever Not even a Vampyre Just ask Joe Pitt After exposing the secret source of blood for half of Manhattan's Vampyres he's definitely a dead man walking He's been a punching bag and a bullet magnet for every Vampyre Clan in Manhattan Brooklyn and the Bronx not to mention a private eye an enforcer an exile and a vigilante but now he's just a target with legs For a year he's sloshed around the subway tunnels and sewers tapping the veins of the lost while above ground a Vampyre civil war threatens to drag the Clans into the sunlight once and for all What's it gonna take to dig him up Just the search for a missing girl who's carrying a baby that just might be the destiny of Vampyre kind Not that Joe cares all that much about destiny and such What he cares about is that his ex girl Evie wants him to take the gig What's the risk Another turn playing pigeon in a shooting gallery What's the reward Maybe one shot of his own What's he aiming for Nothing much Just all the evil at the heart of his world A Dangerous Man Charlie Huston, 2006-09-19 Huston writes dialogue so combustible it could fuel a bus and characters crazy enough to take it on the road The New York Times Book Review Reluctant hitman Henry Thompson has fallen on hard times His grip on life is disintegrating his pistol hand shaking his body pinned to his living room couch by

painkillers and his boss Russian mobster David Dolokhov isn't happy about any of it. So Henry is surprised when he's handed a new assignment: keep tabs on a minor league baseball star named Miguel Arenas. Henry has no pity for the slugger and the wicked gambling problem that got him in trouble, but he can't help liking the guy. After all, Henry used to be just like him: a natural born ball player with a bright future. But hell, that was long ago. Before Henry did some guy a favor and ended up running for his life. Before his girlfriend and buddies got gunned down by someone on his tail. Before he agreed to buy his parents' safety with a life of violence. And when Miguel gets drafted by the Mets and is sent to the Brooklyn Cyclones, Henry must head back to New York, back to the place where all his problems began and where Henry might find a real reason to keep living, a reason that may just cost him his life.

Praise for *A Dangerous Man*: Among the new voices in twenty-first century crime fiction, Charlie Huston is where it's at. The Washington Post: Huston reminds me of all my favorite writers: Pete Dexter, Robert Stone, Crumley. If there is such a thing as compassionate noir, Charlie has found it. He's a true marvel. Ken Bruen, author of *The Guards*: Charlie Huston is the real deal. Peter Straub: **No Dominion** Charlie Huston, 2006. Joe Pitt's life sucks. He hasn't had a case or a job in God knows how long, and his stashes are running on empty. What stashes? The only ones that count to a guy like Joe: blood and money. The money he uses to buy blood, the blood he drinks. Hey, buddy, it's that or your neck: you want to choose. The only way to lay his hands on both is to take a gig with the local Vampyre Clan. See something new is on the streets: a new high, a high so strong it can send a Vampyre spazzing through Joe's local watering hole. Till Joe sends him through a plate glass window, that is. So it's time for Joe to gut up and swallow that pride and follow the leads wherever they go. It won't be long before he's slapping stoolies, getting sapped, and being taken for a ride above 110th Street. Someone's pulling Joe's strings, and now he's riding the A train, looking to find who it is. He's gonna cut them when he finds them: the strings and the hands that hold them.
