The Twilight of the Gothic? Joseph Crawford,2014-05-15 This book explores the history of the paranormal romance genre from its origins in the revisionist horror fiction of the 1970s via its emergence as a minor sub genre of romantic fiction in the early 1990s to its contemporary expansion in recent years into an often controversial genre of mainstream fiction Tracing the genre from its roots in older Gothic fiction written by and for women it explores the interconnected histories of Gothic and romantic fiction from Ann Radcliffe and Jane Austen in the eighteenth century to Buffy Twilight True Blood and The Vampire Diaries in the present day In doing so it investigates the extent to which the post Twilight paranormal romance really does represent a break from older traditions of Gothic fiction and just what it is about the genre that has made it so

extraordinarily divisive captivating millions of readers whilst simultaneously infuriating and repelling so many others **The**

They Kill Joni Richards Bodart,2012 Teen readers have always been fascinated by monsters but lately it seems like every other young adult YA book is about vampires zombies or werewolves These works are controversial since they look at aspects of life and human nature that adults prefer to keep hidden from teenagers But this is also why they are so important They provide a literal example of how ignoring life s hazards won t make them go away and demonstrate that ignorance of danger puts one at greater risk In *They Suck They Bite They Eat They Kill* The Psychological Meaning of Supernatural Monsters in Young Adult Fiction Joni Bodart examines six different monsters vampires shapeshifters zombies unicorns angels and demons

in YA literature Bodart first discusses the meaning of these monsters in cultures all over the world Subsequent chapters explore their history and most important incarnations comparing the same kind of creatures featured in different titles This volume also contains interviews with authors who provide additional insight and information and the bibliography includes a comprehensive list of titles featuring the various monsters Analyzing the most important and well written series and titles for teens They Suck They Bite They Eat They Kill will be useful for parents teachers and anyone else hoping to understand why teens want to read books in this genre and what some of the benefits of reading them might be *Handbook of Research on Children's and Young Adult Literature* Shelby Wolf,Karen Coats,Patricia Enciso,Christine Jenkins,2011-04-27 This landmark volume is the first to bring together leading scholarship on children s and young adult literature from three intersecting disciplines Education English and Library and Information Science Distinguished by its multidisciplinary approach it describes and analyzes the different aspects of literary reading texts and contexts to illuminate how the book is transformed within and across different academic figurations of reading and interpreting children s literature Part one considers perspectives on readers and reading literature in home school library and community settings Part two introduces analytic frames for studying young adult novels picturebooks indigenous literature graphic novels and other genres Chapters include commentary on literary experiences and creative production from renowned authors and illustrators Part three focuses on the social contexts of literary study with chapters on censorship awards marketing and literary museums The singular contribution of this Handbook is to lay the groundwork for colleagues across disciplines to redraw the map of their separately figured worlds thus to enlarge the scope of scholarship and dialogue as well as push ahead into uncharted territory

Blood Obsession Jörg Waltje,2005 What is it about vampires that fascinates the human imagination Blood Obsession closely scrutinizes theories of Sigmund Freud and Tzvetan Todorov and arrives at a model of the vampire as the perfect representative of genre for a variety of reasons the vampire figure appeals to its audience because of an interdependency of looplike mental and narrative structures that lure both reader and writer incessantly back to the genre At the same time this book provides the reader with a thorough survey of literary and filmic vampires in both adult and juvenile fictions Lastly it blends the realms of legal and literary history by highlighting the changes the image of the serial killer a close relative of the vampire underwent at the end of the twentieth century Blood Obsession is a highly enlightening study for the general reader as well as for students of film literature and popular culture

Young Adult Literature Michael Cart,2010-09 Helps YA librarians who want to freshen up their readers advisory skills teachers who use novels in the classroom and adult services librarians who increasingly find themselves addressing the queries of teen patrons

Bringing Light to Twilight G. Anatol,2011-06-06 The essays in this collection use the interpretative lens to interrogate the meanings of Meyer s books making a compelling case for the cultural relevance of Twilight and providing insights on how we can read popular culture to our best advantage

Fiction, Food, and Fun Kathryn Closter,KAREN L. SIPES,VICKIE THOMAS,1998-05-15 Featuring

fiction food and fun this unique approach motivates young people to read and builds their comprehension skills while extending their learning across the curriculum Students teachers librarians parents and community members can participate in these mealtime programs which include such activities as games writing or art projects role playing storytelling interviewing and guest speakers Based on the authors READ N FEED program the book provides detailed plans for learning events developed from selected young adult novels For each title the authors provide a summary of the plot a booktalk background information on the author discussion questions activities novel connections suggestions for food and decorations and reproducible templates of publicity posters student invitations game pieces and other materials The authors also give instructions on how to design a program for other books This method integrates critical thinking skills multiple intelligences metho

Silver Kiss Annette Curtis Klause,1990-01 **The Routledge Companion to Children's Literature** David Rudd,2012-07-26 The Routledge Companion to Children s Literature is a vibrant and authoritative exploration of children s literature in all its manifestations It features a series of essays written by expert contributors who provide an illuminating examination of why children s literature is the way it is Topics covered include the history and development of children s literature various theoretical approaches used to explore the texts including narratological methods questions of gender and sexuality along with issues of race and ethnicity realism and fantasy as two prevailing modes of story telling picture books comics and graphic novels as well as young adult fiction and the crossover novel media adaptations and neglected areas of children s literature The Routledge Companion to Children s Literature contains suggestions for further reading throughout plus a helpful timeline and a substantial glossary of key terms and names both established and more cutting edge This is a comprehensive and up to date guide to an increasingly complex and popular discipline **Creative and Performing**

Artists for Teens Thomas McMahon,2000 Features biographical entries discussing creative and performing artists from the fields of literature music the visual arts and film and television **The Folklore of Forever** Sarah Hogle,2025-04-08 From the acclaimed author of Old Flames and New Fortunes comes a steamy enemies to lovers romantasy about a paranormal skeptic who is roped into a ghost hunting romp by the charming boy next door who might just show her what real fantasies are made of Paranormal skeptic Zelda Tempest is hoping for a much needed creativity boost for a new paranormal mystery novel But despite the alleged magic of her hometown Moonville Ohio she s as stuck as ever With two witch sisters not believing in magic is strange for a Tempest but no one is more disappointed than Morgan Angelopoulos the charming man next door So to cure her of her writer s block and her disbelief in magic Morgan ropes her into a ghost hunting romp only for Zelda to discover something else entirely bizarre never before seen creatures that appear as ordinary pets to everyone else Curious about what else might be lurking in Moonville s woods Zelda and Morgan embark on a quest to uncover the true magic that lies in their midsts and perhaps just maybe they will find that the magic they re searching for has been with them all along

Seventh Book of Junior Authors & Illustrators Sally Holmes Holtze,1996 Contains more than two hundred sketches of

authors illustrators and a translator of children s books who have come to prominence since the publication of the previous book *Vampires Are Us* Margot Adler,2014-03-01 The author of *Drawing Down the Moon* offers a literate imaginative and just plain fascinating exploration of the enduring allure of vampires Whitley Strieber author of *The Hunger* Author and NPR correspondent Margot Adler found herself newly drawn to vampire novels while sitting vigil at her dying husband s bedside Intrigued by the way this ever evolving myth lets us contemplate mortality she embarked on a years long journey of reading hundreds vampire novels from teen to adult from gothic to modern from detective to comic She began to see just how each era creates the vampires it needs Dracula an Eastern European monster was the perfect vehicle for 19th century England s fear of outsiders and of disease seeping in through its large ports In 1960s America the television show *Dark Shadows* gave us the morally conflicted vampire struggling against his own predatory nature who still enthralls us today From Bram Stoker to Ann Rice from vampire detective thrillers to lesbian vampire fiction and from *Buffy the Vampire Slayer* to *Twilight* and *True Blood* *Vampires Are Us* explores the issues of power politics morality identity and even the fate of the planet that show up in vampire novels today Perhaps Adler suggests our blood is oil perhaps our prey is the planet Perhaps vampires are us
