The Church and the Jews Daniel Gruber, 1991 A Rabbi Looks at the Last Days Jonathan Bernis, 2013-01-15 A Rabbi Offers a Fresh Look at the End Times Few topics capture the imagination of believers like the last days Yet fear and incorrect teachings continue to surround this topic Rabbi Jonathan Bernis by contrast offers with warmth and clarity a unique and surprising perspective on the end times Many see explosive turmoil in the Middle East and the mark of the beast as signs of the return of the Messiah Bernis points out an even clearer and more immediate sign the fulfillment of Old Testament prophecies regarding the restoration of the land of Israel and the regathering of the Lost Tribes of Israel which is happening in record numbers right now This book unpacks surprising and life changing insights on Israel the last days and the Messianic hope of every believer **The Case for Zionism** Thomas Ice, 2017-02-20 The modern state of Israel has been a nation for almost 70 years When she was formed and fought her early wars of existence most Bible believing Christians believed there was a real connection with what was going on in the Middle East and Bible prophecy that predicts an end time return of the Jews to their land While support for Israel remains high in most evangelical communities we are seeing the beginning of a decline especially among younger evangelicals who question whether modern Israel really relates to end time Bible prophecy The Case for Zionism attempts to bring together biblical historical and legal arguments for the legitimacy of the startup nation known as Israel as it Explains controversies such as antisemitism and Replacement Theology Details the biblical and legal rights of Modern Israel Explores the prophetic nature and future of Israel In this presentation Thomas Ice answers many of the contemporary arguments being used by both secular and religious communities to undermine what he believes is the hand of God at work in our own day **The Lie** Bruce R. Booker, 1993-04 **Jewish Roots** Isaac Israel, 2014-01-03 Written by a Messianic Jew who received barmitzvah training in an Orthodox synagogue Jewish Roots is a totally unique exploration of the Hebraic roots of the Christian faith This volume provides the reader with concepts and terminology that will fully illuminate the instructions of Yeshua Jesus and the Sheliachim Apostles Now the precious drashot teachings of Messiah can be understood by modern Christians as they were meant to be understood by Jewish believers two thousand years ago Large Print Edition *The Ladder of Trust* Ron Warren, 2007-10 Warren explains how the connection between trust and faith can re ignite the fire in one s spirit and brings order joy and peace by following Scripture based principles What Should We Think About Israel? Booker,1997-08 Why Care about Israel? Sandra Teplinsky,2004-06 A deeply moving invitation to understand God s prophetic heart for Israel and how blessing can be unleashed for the church in our time The Future Restoration of Israel Stanley E. Porter,Alan E. Kurschner,2023-06-02 This volume is the most extensive of its kind as a major set of collected essays from a wide range of scholars on the question of the promises of God to Israel These essays put forward the position that unconditional promises were given to Israel which have not been fulfilled in the church or any other entity At the consummation there will be a continuing role for the Jews realized through their national and territorial hope of a restored redeemed Israel This volume contains an eclectic group of contributors who have reached this position from various approaches to interpretation The essays exhibit both positive argumentation and engagement with supersessionist literature Dispensationalism, Israel and the Church Craig A. Blaising,Darrell L. Bock,2010-08-10 The relationship between Israel and the church is a crucial reference point in theology especially in distinguishing between dispensational and nondispensational ways of thinking The thesis of this book is that Israel and the church are distinct theological institutions that have arisen in the historical progress of divine revelation But they are also related as successive phases of a redemptive program that is historically progressive and eschatologically converging The approach to these issues here is neither polemical nor apologetic rather it anticipates a convergence among evangelical scholars in the recognition of both continuity and discontinuity in the Israel church relationship This book has three purposes To offer a contemporary dispensational treatment of that relationship through an exegetical examination of key texts with a focus on theological concerns To foster genuine dialogue with nondispensational thinkers regarding major biblical themes tied to the plan of God To identify the changes in dispensational thought that have developed since the publication of Charles Ryrie s book *Dispensationalism Today* in 1965 Finishing History Well , **The Popular Encyclopedia of Apologetics** Ed Hindson,Ergun Caner,2008-05-01 The perfect combination of scholarship and accessible presentation for Christians who desire to know how to better understand and defend their faith Bestselling authors Ed Hindson and Ergun Caner have brought together a who s who of apologetic experts including Lee Strobel Norm Geisler Josh McDowell and John Ankerberg to produce a resource that s both easy to understand and comprehensive in scope Every entry provides a biblical perspective and mentions the key essentials that believers need to know about a wide variety of apologetic concerns including issues concerning God Christ and the Bible scientific and historical controversies ethical matters genetic engineering homosexuality ecology feminism a Christian response to world religions and cults a Christian response to the

Gerrish,2000 **Coming Out of Egypt** K.C. Stricker,2008-03-15 Coming Out of Egypt is an exodus out of idolatry the idolatry of ancient Egypt and the idolatry that permeates the church today Its goal is to make the exodus come alive for the reader not to just read about the exodus but to experience the exodus not to just read about the Passover but to experience the Passover to catapult the reader back through time like a time traveler entering a time portal The goal of Coming Out of Egypt is to experience redemption not just to read about redemption to experience redemption from Pharaoh at the Reed Sea and witness Yeshua s resurrection **The Incomplete Church** Sid Roth,2007-07-28 Christianity today is very different

from the original To experience the original the miracles healings power and intimacy with God we have to examine our Jewish roots For 2 000 years there has been a separation between Judaism and Christianity resulting in a lack of miracle power and intimacy with God The Incomplete Church explores what was stolen by the deceiver in both religions and reveals what will happen when the truth in both converges *Future Israel* Barry E. Horner,2007 Future Israel Why Christian Anti Judaism Must Be Challenged is volume three in the NEW AMERICAN COMMENTARY STUDIES IN BIBLE THEOLOGY NACSBT series for pastors advanced Bible students and other deeply committed laypersons Author Barry E Horner writes to persuade readers concerning the divine validity of the Jew today based on Romans 11 28 as well as the nation of Israel and the land of Palestine in the midst of this much debated issue within Christendom at various levels He examines the Bible s consistent pro Judaic direction namely a Judeo centric eschatology that is a unifying feature throughout Scripture Not sensationalist like many other writings on this constantly debated topic Future Israel is instead notably exegetical and theological in its argumentation Users will find this an excellent extension of the long respected NEW AMERICAN
