The Pleasantries Of The Incredible Mulla Nasrudin By Idries Shah:

The Pleasantries of the Incredible Mulla Nasrudin Idries Shah, 1983 Here Nasrudin's anecdotes are seen to be parallel to the mind's working designed to amuse the tea house but also intended for use on other levels **The Pleasantries of the Incredible Mulla Nasrudin (Pocket Edition)** Idries Shah, 2018-08-30 The appeal of Nasrudin is as universal and timeless as the truths he illustrates His stories are read by children by scientists and scholars and by followers of philosophy Idries Shah assembled this collection of Nasrudin's trials and tribulations from ancient manuscripts and oral literature from sources in North Africa and Turkey the Middle East and Central Asia Many were known to the great Sufi masters Rumi Jami and Attar the chemist [The Pleasantries of the Incredible Mulla Nasrudin](#) Idries Shah, 2015-09-28 The appeal of Nasrudin is as universal and timeless as the truths he illustrates His stories are read by children by scientists and scholars and by followers of philosophy Idries Shah assembled this collection of Nasrudin's trials and tribulations from ancient manuscripts and oral literature from sources in North Africa and Turkey the Middle East and Central Asia Many were known to the great Sufi masters Rumi Jami and Attar the chemist *The Pleasantries of the Incredible Mulla Nasrudin* Saiyid Idris Šah, 1970 **Idries Shah Documentation**, 1979 **The Elephant in the Dark** Idries Shah, 1974 As our world continues to shrink we are being brought headlong into often explosive contact with other cultures and religions Islam continues to be for many a mysterious and misunderstood force alien to our own cultural values Yet in more ways than expected Christianity and Islam share common ground For centuries Sufi thinkers have been linked to both religions in certain important ideas But like the elephant in the dark in Jalaludin Rumi's classic fable these ideas are not grasped in full by seizing parts of the whole and arguing for or against their supposed Christian or Islamic derivation From a series of lectures given by Idries Shah at Geneva University The Elephant in the Dark shifts focus to more fruitful ground tracing documented episodes of cooperation and understanding between Christians and Moslems over the past 1 400 years

Idries Shah Anthology Idries Shah, 2019-03-01 In his writing about Sufism Idries Shah did some revolutionary things Critically and almost alone he said that it was possible to divorce the essence of Sufi philosophy from what he insisted were secondary accretions of Islamic culture and religion Moreover he said in making this material available to the West you could not only do this you must do it This is because he believed you can only absorb materials that are designed for your own time and place Sufism as an essence may be truth without form but in order to penetrate into the human mind it must be delivered in a package shaped to fit the receiving culture When something new enters a culture there is a period where like a new object being thrown into the chimpanzee pen at a zoo all the chimps rush over to touch it throw it on the floor fight over it and so on he once told me We must wait until the dust settles only then will people be in a position to assess this material My father died in 1996 and the dust is settling fast He leaves a body of work behind and on this work alone he believed he should and would be judged This anthology is intended to provide a basic sample of his work an essential reader to allow people to

The Accidental Anthropologist Michael Jackson, 2013-12-16 Journeys through the Congo Sierra Leone and Outback Australia in an inventive memoir by a Commonwealth Poetry Prize winning ethnographer The Accidental Anthropologist is a fascinating impeccably written memoir or more accurately a series of fragments Compelling and absorbing as well as intense and insightful Jackson writes a far from classically autobiographical text There is nothing predictable about the mode or incidents he has chosen to write about this is literary memoir at its best and most inventive Jackson has a fascination with the concept of personal metamorphosis the idea that a life can be dismantled and reassembled in a different country and set of relationships And throughout the story the author makes a pretty good fist of living the theory Jackson's experiences begin with his earnest portrayal of young adulthood in Wellington where he associates on the fringes with many of the literary figures of the early 1960s Bob Lowry Fleur Adcock James K Baxter R A K Mason and the artist McCahon Jackson finds himself homeless in London where he's drawn to help the poor and eventually finds his way to Cambridge where he stumbles upon anthropology His subsequent ethnographic fieldwork takes him to the Congo Sierra Leone and outback Australia Jackson makes it clear that our lives are barely our own they belong as much to the people the landscapes the influences of thought and ideology that absorb us He excels at the intensely personal and captivates with this masterful work The Accidental Anthropologist is a challenging and magnificent memoir much of it is spellbinding astute and disquieting
