The River Wife By Jonis Agee

Pamela Carter Joern

The River Wife By Jonis Agee:

The River Wife Jonis Agee, 2007-07-17 From acclaimed novelist Jonis Agee whom The New York Times Book Review called a gifted poet of that dark lushness in the heart of the American landscape *The River Wife* is a sweeping panoramic story that ranges from the New Madrid earthquake of 1811 through the Civil War to the bootlegging days of the 1930s When the earthquake brings Annie Lark's Missouri house down on top of her she finds herself pinned under the massive roof beam facing certain death Rescued by French fur trapper Jacques Ducharme Annie learns to love the strong brooding man and resolves to live out her days as his River Wife More than a century later in 1930 Hedie Rails comes to Jacques Landing to marry Clement Ducharme a direct descendant of the fur trapper and river pirate and the young couple begin their life together in the very house Jacques built for Annie so long ago When night after late night mysterious phone calls take Clement from their home a pregnant Hedie finds comfort in Annie's leather bound journals But as she reads of the sinister dealings and horrendous misunderstandings that spelled out tragedy for the rescued bride Hedie fears that her own life is paralleling Annie's and that history is repeating itself with Jacques' kin Among the family's papers Hedie encounters three other strong willed women who helped shape Jacques Ducharme's life Omah the freed slave who took her place beside him as a river raider his second wife Laura who loved money more than the man she married and Laura and Jacques' daughter Maddie a fiery beauty with a nearly uncontrollable appetite for love Their stories together with Annie's weave a haunting tale of this mysterious seductive and ultimately dangerous man a man whose hand stretched over generations of women at a bend in the river where fate and desire collide *The River Wife* richly evokes the nineteenth century South at a time when lives changed with the turn of a card or the flash of a knife Jonis Agee vividly portrays a lineage of love and heartbreak passion and deceit as each river wife comes to discover that blind devotion cannot keep the truth at bay nor the past from haunting the present

At the Corner of Past and Future Pamela Carter Joern, **A Sandhills Ballad** Ladette Randolph, After her life as she knows it ends in heartbreak Mary Rasmussen a strong willed and independent young ranch woman living in the Sandhills of western Nebraska suddenly feels that everything she has believed in God her instincts the land itself has failed her She abandons her cultural and emotional ties succumbing to circumstances she thinks she is powerless to control In a rash decision she marries a conservative patriarchal preacher who doesn't understand her the ranching community or anything beyond his own beliefs Mary's inner turmoil builds as she comes to appreciate the gravity of her situation and the need to take action

Killer Whale Blues Mark Conkling, 2014-01-10 Ida Corley a troubled thirty six year old nurse from Albuquerque is searching for her unknown half brother a sibling she discovered by reading an old letter in her deceased

mother's personal effects. On her deathbed, Ida's mother had confessed a teenage abortion, but the letter reveals a different past, a secret that unhinged Ida and drove her on a quest to find him. Her journey takes her to Victoria, Canada, where she goes on a whale watching tour and becomes bewildered by a close encounter with a killer whale. He captures her eye with his own eerie whale eye, luring Ida into new spiritual territory and the mystery of interspecies communication. Ida searches the Inside Passage where killer whales act as guides, save her life, open windows into the natural world and reach deep into her soul. It is as if these powerful mammals carried Ida up to the heart of Mother Nature, showed her the stars and then returned her to a new life. Ida had set out to find her half brother but ended up finding herself. Ida Corley first appeared as a character in *Prairie Dog Blues* and surfaced again as Danny Sandoval's lover in *Dog Shelter Blues*, both from Sunstone Press. Along with *Killer Whale Blues*, the three novels explore the power of nature and living creatures to transform broken people's lives.

The Windows of Brimnes Bill Holm, 2007. In his most ambitious book to date, poet, musician, wit, and polemicist Bill Holm repairs to his Icelandic cottage to reflect on the United States and what it might learn from the land of his ancestral roots. The book begins with a description of the extraordinary setting of Brimnes, a small fishing village on the Arctic Circle. From his house, Holm captures Iceland's warmth and genuine community, its secularism, pacifism, and love of nature, poetry, and music. Writing of the America to which his ancestors fled only two generations before, he wonders whether the compelling dream of liberty, freedom, and inquiry still animates his native country. For the legions of Bill Holm fans, as well as for those yearning for some straight, if often comical, reflection on the state of America today, this book provides a memorable experience.

The Wounded & Other Stories About Sons and Fathers Graham Leask, Ian, 2014-05-07. A British writer's first collection of stories set in a newly independent India, contemporary England, and the American South. In the title story, told from a mother's point of view, a teenaged son has been taken over with alcoholic binges; he vomits, he loses all cognizance of himself. As we learn more of the father, we find that he too is an alcoholic, a chain smoker, and not far from death. The piece ends on a note of misogyny and violent helplessness, as if to imply, like father, like son. Alcoholism, violence, class, and racial prejudice figure throughout these stories, which are often garish and melodramatic, like the tale of a Britisher gone completely to seed in India. Bombay Morning. Leask makes it clear that he's brought his woes upon himself. The same self-destructive impulse grows a bit maudlin in *Smoking Section*, about a man who can't pay his bill at a sleazy diner. But in *Daddy's Eyes* and the fine *Piggybank*, Leask offers a more reflective view. In the first, an overworked, unhappily married father, whose own childhood was miserable, manages nonetheless to enter his small son's world with empathy and love. In the second, a young boy views his repulsive family's bankruptcy and abusive ways with the determination to do better. The question in many of these stories may be whether alcohol has led to unpleasant behavior or whether these are unpleasant people who become even more unpleasant when they drink. Accomplished, but to trade upon some mythic, eternal wound among men seems facile. The women here are no better. Copyright 1992, Kirkus Associates, LP. All rights reserved. **Shopping for**
