The Seamstress And The Wind By Cesar Aira:

The Seamstress and the Wind César Aira, 2011-06-28 As he runs wildly amok Aira captures childhood's treasures the reality of the fable and the delirium of invention in this hilariously funny book The Seamstress and the Wind is a deliciously laugh out loud funny novel A seamstress who is sewing a wedding dress for the pregnant local art teacher fears that her son while playing in a big semitruck has been accidentally kidnapped and driven off to Patagonia Completely unhinged she calls a local taxi to follow the semi in hot pursuit When her husband finds out what's happened he takes off after wife and child They race not only to the end of the world but to adventures in desire where the wild Southern wind falls in love with the seamstress and a monster child takes up with the truck driver Interspersed are Aira's musings about memory and childhood and his hometown of Coronel Pringles with a compelling view of the hard lot of this working class town situated not far from Buenos Aires

The Miracle Cures of Dr. Aira César Aira, 2012-10-16 Short fiction about a doctor who has a gift for making miracles and who is not deterred by his archenemy Dr Actyn who is constantly trying to prove he is a charlatan

Festival & Game of the Worlds César Aira, 2024-07-23 Oddly twinned masterpieces by one of the greatest fabulists of any age past present or 40 000 years in the future In Festival the genius postmodern sci fi filmmaker Alec Steryx is the star guest of a film festival in an unnamed country But he's brought a surprise his nonagenarian mother Everyone is baffled Why Half blind and terminally cranky she does nothing but complain despite insisting on attending every screening and reception As Steryx's mother gums up the works for the festival organizers larger problems are in store A delightfully baroque comedy of errors Festival is all at once a loving parody of the institutions that support artists a meditation on postmodern art and a propulsive lyrical surreal adventure In the far far future a middle aged father has fallen behind the times Bemused and disturbed he watches his children play the eponymous Game of the Worlds a Total Reality war game that involves the annihilation of countless alien civilizations which are at least as real as the narrator's own As he debates the ethics of the game struggles with his home's intelligent system and fumblingly manipulates his Discourse Corrector a dead ringer for ChatGPT on virtual beachside dates an errant thought threatens to set a world ending chain of logic into motion the return of the Idea of God Epic and domestic madcap and musing by turns this prescient novel reads like a message in a bottle from a bewitchingly strange yet all too familiar future

Fulgentius César Aira, 2023-03-07 Aira holds a fun house mirror up to the genre of historical fiction in this novel about an aging Roman general on what may be his last campaign into the provinces By profession I am a soldier a general in the glorious Roman army As a playwright I think of myself as a sublime amateur In Cesar Aira's new novel Fulgentius a sixty seven year old imperial Roman general Rome's most illustrious and experienced is sent to pacify the remote province of Pannonia He is a thoughtful introspective person a saturnine intellectual who greatly enjoys being on the march away from his loving family and the sometimes deadly intrigues of Rome Fulgentius is also a playwright though of exactly one play and in every city he pacifies he stages a grand production of his farcical tragedy

written at the tender age of twelve about a man who becomes a famous general only to be murdered at the hands of shadowy foreigners Curiously what he had imagined as a child turns out to be the story of his life almost As the playwright turned general broods obsessively about his only work the magnificent Lupine Legion a city in movement of 6 000 men an invincible corps of seasoned fighters wearing their signature wolfskin caps kills burns pillages and loots their way to victory But what does victory mean

considered to write well Because after all what can we expect from Cesar Aira s works Anything a clever and unpredictable piece a miniature narrative that revives and invigorates literature Now for the first time this volume compiles ten novels originally published by small publishing houses and that in many cases were no longer available to readers Ten pieces of the unusual and curious Airanian puzzle Cecil Taylor Cecil Taylor La costurera y el viento The seamstress and the wind Las conversaciones Conversations El divorcio Divorce Los dos payasos Two clowns El volante The Flyer La confesi n Confession La pastilla de hormona The hormone pill La cena Dinner and Diario de la hepatitis Diary of hepatitis These ten reasons ratify Cesar Aira as one of the most amazing narrators of current day literature Juan Pablo Villalobos
