The Young Lions By Irwin Shaw:

The Young Lions Irwin Shaw, 2008 The Jew from Brooklyn wanted nothing more than to go home to his wife The Hollywood director regretted the patriotic gesture that would lead him into the hell of war The German officer decided to harden his heart till the killing was over All are drawn inevitably to each other as the fighting reaches its climax All three must face what it really means to give one's life for one's country and to take lives in return Only one will survive *The Young Lions by Irwin Shaw* Irwin Shaw, 1949 En amerikansk teatermands en amerikansk jøde og en stridsk nazists skæbne som soldater i den 2 verdenskrig Irwin Shaw: The young Lions Slavko Gražl, 1968 Irwin Shaw Michael Shnayerson, 1989 A reconstruction of Shaw's life from his days as a young playwright and novelist up to his death in 1984 Despite a prevailing pedestrian tone and lapses into gossip column journals a chilling and at times insightful portrait of the man and his social milieu emerges forcefully Acidic paper Annotation copyrighted by Book News Inc Portland OR **Trinity of Passion** Alan M. Wald, 2011-04-01 The second of three volumes by Alan Wald that track the political and personal lives of several generations of U S left wing writers Trinity of Passion carries forward the chronicle launched in *Exiles from a Future Time The Forging of the Mid Twentieth Century Literary Left* In this volume Wald delves into literary emotional and ideological trajectories of radical cultural workers in the era when the International Brigades fought in the Spanish Civil War 1936-39 and the United States battled in World War II 1941-45 Probing in rich and haunting detail the controversial impact of the Popular Front on literary culture he explores the ethical and aesthetic challenges that pro Communist writers faced Wald presents a cross section of literary talent from the famous to the forgotten the major to the minor The writers examined include Len Zinberg aka Ed Lacy John Oliver Killens Irwin Shaw Albert Maltz Ann Petry Chester Himes Henry Roth Lauren Gilfillan Ruth McKenney Morris U Schappes and Jo Sinclair He also uncovers dramatic new information about Arthur Miller's complex commitment to the Left Confronting heartfelt questions about Jewish masculinity racism at the core of liberal democracy the corrosion of utopian dreams and the thorny interaction between antifascism and Communism Wald recreates the intellectual and cultural landscape of a remarkable era **Hemingway and Italy** Mark Cirino, Mark P. Ott, 2025-06-03 Exploring the importance of Ernest Hemingway's time in Italy to his writing and legacy From his World War I service in Italy through his transformational return visits during the decades that followed Ernest Hemingway's Italian experiences were fundamental to his artistic development Hemingway and Italy offers essays from top scholars exciting new voices and people who knew Hemingway during his Italian days examining how his adopted homeland shaped his writing and his legacy The collection addresses Hemingway's many Italys the terrain and people he encountered during his life and the country he transposed into his fiction Contributors analyze Hemingway's Italian works including *A Farewell to Arms* *Across the River and into the Trees* lesser known short stories fables and even a previously unpublished Hemingway sketch *Torcello Piece* The essays provide fresh insights on Hemingway's Italian life career and imagination Contributors Giacomo Ivancich Ruggero

Caumo Scott Donaldson Sergio Perosa Rosella Mamoli Zorzi Davide Lorigliola Alberto Lena Miriam B Mandel Michael Kim Roos John D Schwetman Adam Long Marina Gradoli Piero Ambrogio Pozzi Kirk Curnutt Cam Cobb Kei Katsui **The American Jewish Story through Cinema** Eric A. Goldman, 2013-04-01 A superb thought provoking analysis tracing the metamorphosis of the image of the Jew as portrayed through 80 years of American cinema Library Journal Like the haggadah the traditional story of the Israelites exodus from Egypt read at the Passover seder cinema offers a valuable text from which to gain an understanding of the social political and cultural realities of Jews in America In an industry strongly influenced by Jewish filmmakers the complex evolving nature of the American Jewish condition has had considerable impact on American cinema and in particular on how Jews are reflected on the screen This groundbreaking study analyzes select mainstream films from the beginning of the sound era to today to provide an understanding of the American Jewish experience over the last century from the time when Hollywood's movie moguls most of whom were Jewish shied away from asserting a Jewish image on the screen to a period when Jewish moviemakers became more comfortable with the concept of a Jewish hero and with an overpowered yet heroic Israel and the way that the Holocaust assumed center stage as the single event with the greatest effect on American Jewish identity Recently as American Jewish screenwriters directors and producers have become increasingly comfortable with their heritage we are seeing an unprecedented number of movies that spotlight Jewish protagonists experiences and challenges This is a wonderful book for any lover of American films Hadassah Magazine

Hemingway Kenneth S. Lynn, 1995-03-03 Ernest Hemingway was a mythic figure of overt masculinity and vibrant literary genius He lived life on an epic scale presenting to the world a character as compelling as the fiction he created But behind it all lurked an insecure troubled man In this immensely powerful and revealing study Kenneth S Lynn explores the many tragic facets that both nurtured Hemingway's work and eroded his life Masterfully written Hemingway brings to life the writer whose desperate struggle to exorcise his demons produced some of the greatest American fiction of this century **Facing the Abyss** George Hutchinson, 2018-01-23 Mythologized as the era of the good war and the Greatest Generation the 1940s are frequently understood as a more heroic uncomplicated time in American history Yet just below the surface a sense of dread alienation and the haunting specter of radical evil permeated American art and literature Writers returned home from World War II and gave form to their disorienting experiences of violence and cruelty They probed the darkness that the war opened up and confronted bigotry existential guilt ecological concerns and fear about the nature and survival of the human race In Facing the Abyss George Hutchinson offers readings of individual works and the larger intellectual and cultural scene to reveal the 1940s as a period of profound and influential accomplishment Facing the Abyss examines the relation of aesthetics to politics the idea of universalism and the connections among authors across racial ethnic and gender divisions Modernist and avant garde styles were absorbed into popular culture as writers and artists turned away from social realism to emphasize the process of artistic creation Hutchinson explores a range of important writers from Saul Bellow and Mary

McCarthy to Richard Wright and James Baldwin African American and Jewish novelists critiqued racism and anti-Semitism women writers pushed back on the misogyny unleashed during the war and authors such as Gore Vidal and Tennessee Williams reflected a new openness in the depiction of homosexuality The decade also witnessed an awakening of American environmental and ecological consciousness Hutchinson argues that despite the individualized experiences depicted in these works a common belief in art's ability to communicate the universal in particulars united the most important works of literature and art during the 1940s Hutchinson's capacious view of American literary and cultural history masterfully weaves together a wide range of creative and intellectual expression into a sweeping new narrative of this pivotal decade

Baseball and Social Class Ronald E. Kates,Warren Tormey,2012-11-14 This collection of fresh essays examines the intersection of baseball and social class pointing to the conclusion that America's game infused from its origins with a democratic mythos and founded on high minded principles of meritocracy is nonetheless fraught with problematic class contradictions Each essayist has explored how class standing has influenced some aspect of the game as experienced by those who play it those who watch it those who write about it and those who market it The topic of class is an amorphous one and in tying it to baseball the contributors have considered matters of race education locality integration assimilation and cultural standing These elements are crucial to understanding how baseball creates preserves reinforces and occasionally assails class divisions among those who watch play and own the game

The Jew in the American War Novel Ohad Reznick,2025-03-31 This is the first book of its kind to provide an analysis of the representation of Jews in American war novels throughout the long twentieth century This study delineates the intricate relationship between Jews and wars Are Jews depicted as draft dodgers or heroes in American war fiction How do Jewish soldiers cope with anti-Semitism in war novels Do Jewish women contribute to the war effort Addressing these questions among others this book analyzes texts some of which have been overlooked by critics and some by well known authors such as Ernest Hemingway and Philip Roth in order to trace the changes in the perception of Jews in relation to war Scrutinizing themes such as blood and masculinity *The Jew in the American War Novel* argues that the depiction of the Jew is characterized by progression and then regression in war novels published shortly after WWI non Jews see Jews as draft evaders who lack masculinity After WWII Jews began to be seen as contributing to the warfare However toward the end of twentieth century reflecting the reemergence of prevalent anti-Semitism Jews are once again seen as disloyal resulting in a clash between the sense of Jewish and American identities

An Historical Syntax of the English Language F.Th. Visser,2023-05-08 Frederik Theodor Visser's *An Historical Syntax of the English Language* published in four

massive volumes between 1963 and 1973 is certainly one of the cornerstones of research in English linguistics Visser's achievements can hardly be overestimated Before the advent of modern corpus linguistics he compiled a remarkable wealth of detailed philological data from all periods of English and combined this with current grammatical analyses of his time This has made this publications an indispensable resource for anyone investigating the history of English syntax This reproduction of Visser's volumes is more than welcome and timely as the volumes have been out of print for quite some time and were sometimes a little bit difficult to navigate Having a searchable and easy to use online version although maybe not perfect available now means a revival for scholarship that celebrates its fiftieth birthday without losing any of its relevance The Health of the State Jonathan E. Vincent, 2017 The Health of the State is a cultural history that explores how war writing figured in three phases of modern America's political evolution Civil War remembrance during the Progressive Era the culture of World War I and the new internationalism and World War II's legitimation of Cold War liberalism **Unified Jewish Religious Education Curriculum: For the individual**, 1983 **American Authors and the Literary Marketplace since 1900** James L. W. West, III, 2011-06-03 This book examines literary authorship in the twentieth century and covers such topics as publishing book distribution the trade editor the literary agent the magazine market subsidiary rights and the blockbuster mentality *Eye on Israel* Michelle Mart, 2006-02-09 Examines the image of Israel in American culture before 1960 The Young Lions. (Slightly Abridged.) Irwin Shaw, 1957 **The Literary Filmography** Leonard Mustazza, 2006-05-17 From the very infancy of the film industry filmmakers have relied heavily upon literature as the foundation for their movie material Well known literary works such as Dickens's A Christmas Carol and Hawthorne's The Scarlet Letter were adapted to film in the silent era as were such books as Thomas Dixon's Jr's The Klansman basis for the film Birth of a Nation In recent years Nick Hornsby's About a Boy and each of Helen Fielding's Bridget Jones's Diary novels were the basis for popular movies bearing the same names A guide to English language works that have been adapted as theatrical and television films this volume includes books both fiction and non fiction short stories newspaper and magazine articles and poems Entries are arranged alphabetically by literary title with cross listings for films made under different titles Each entry includes the original work's title author year of first publication literary prizes and a brief plot summary Information on film adaptation's of the work including adaptation titles director screenwriter principal cast and the names of the characters they portray major awards and availability in the most common formats DVD VHS is also offered **Class and the Making of American Literature** Andrew Lawson, 2014-03-14 This book refocuses current understandings of American Literature from the revolutionary period to the present day through an analytical accounting of class reestablishing a foundation for discussions of class in American culture American Studies scholars have explored the ways in which American society operates through inequality and modes of social control focusing primarily on issues of status group identities involving race ethnicity gender sexuality and disability The essays in this volume focus on both the historically

changing experience of class and its continuing hold on American life The collection visits popular as well as canonical literature recognizing that class is constructed in and mediated by the affective and the sensational It analyzes class division class difference and class identity in American culture enabling readers to grasp why class matters as well as the economic social and political matter of class Redefining the field of American literary cultural studies and asking it to rethink its preoccupation with race and gender as primary determinants of identity contributors explore the disciplining of the laboring body and of the emotions the political role of the novel in contesting the limits of class power and authority and the role of the modern consumer culture in both blurring and sharpening class divisions
