"Catcher in the Rye" and "Vernon God Little" - Comparison between classic and contemporary novel of initiation Felix Bellermann, 2007-05-04 Studienarbeit aus dem Jahr 2004 im Fachbereich Anglistik Literatur Note 2.0 Universität Potsdam Sprache Deutsch Abstract *Vernon God Little* was written in 2003 by D B C Pierre It won The Man Booker Prize in in the same year Since the novel about the teenager Vernon Little has its setting in the United States in Texas to be more precise in a

small town by the name of Martirio one might assume it was written by an American author Additionally Finlay was already an internationally published cartoonist and designer before he started writing his novel Vernon God Little is a contemporary satire on American society in its first decade of the new millenium Furthermore it can be categorized as a novel of initiation Its protagonist Vernon Little finds himself in the blurry state of a teenager not yet a real grown up man neither a boy only just starting to be confronted with life s realities Because of its recent date of publication there is no secondary literature on Vernon God Little to be found There are articles on the web that did provide me with at least some background information Why these two novels The Catcher in the Rye is probably the greatest classic of novels about adolsecents in American post war literature The novel became mandatory reading and was included in reading lists of schools and colleges It was very successful even in Korea and Israel was forbidden in Australia and became a mandatory lpart of the curriculum in German schools vgl Neis 1982 8 9 Its reception was and still is coined by controversy Its critics have felt offended by the liberalism and the obvious social criticism that Salinger s work conveys There are still more than fifty years after its first being published new ways of interpreting Catcher These two novels have certain fundamental similarities On the one hand they both share a fairly critical outlook on the society of the time they are written in On the other the observer in both cases is a boy at the brink of society to the adult world This means subject and object in both novels share the same formal outline I intend to compare these outlines and figure out if the classic and the newcomer have the same shape Since The Catcher in the Rye is widely known novel I will not discuss or reproduce its contents Instead I will concentrate on and offer insight into D B C Pierre s Vernon God Little in the first part of my work then I will compare the two novels DBC Pierre's "Vernon God Little" and the Influence of Mass Media ,2021-06-21 Seminar paper from the year 2020 in the subject English Language and Literature Studies Literature grade 2 0 University of Koblenz Landau Anglistik course Teaching Literature Adolescence language English abstract This term paper deals with the topic of mass media in the novel Vernon God Little by DBC Pierre It is particularly concerned with the question of through which techniques and in which ways the inhabitants of Martirio the hometown of the protagonist Vernon are influenced by mass media and news reports It provides a topic analysis which is divided into three sections Firstly the overall importance of media especially TV in modern societies is discussed including how it influences people s attitudes values etc Secondly it depicts different problems in journalism and how exaggeration and lies potentially influence someone s opinion and even the judicial system Thirdly the novel serves as one example of how true crime and the reporting of it is part of the public entertainment and how people make use of someone else s tragedy The second part of this term paper consists of a didactic analysis of a lesson at a school or university The aim of the lesson is to make the students aware of the importance and core issues of media literacy *Encyclopedia of Contemporary Writers and Their Work* Geoff Hamilton,Brian Jones,2015-04-22 Presents an alphabetical reference guide detailing the lives and works of authors associated with the English language fiction of the twentieth and twenty first centuries Lights Out in Wonderland
