Wake By Anna Hope:

Wake Anna Hope, 2014 Anna Hope's brilliant debut unfolds over the course of five days as three women must deal with the aftershocks of World War I and its impact on the men in their lives. Wake 1: Emerge or cause to emerge from sleep 2: Ritual for the dead 3: Consequence or aftermath London 1920 The city prepares to observe the two year anniversary of Armistice Day with the burial of the unknown soldier

Wake Anna Hope, 2014 Na de Eerste Wereldoorlog blijken de levens van drie heel verschillende vrouwen naadloos in elkaar te passen met de komst van een oorlogsveteraan

Albion Anna Hope, 2025 A finely crafted propulsive and nuanced story of family inheritance and accountability that shakes the country house novel to its foundations from the internationally acclaimed author of *Expectation*. The Brookes are gathering in their eighteenth century ancestral home twenty bedrooms of carved Sussex sandstone to bury their patriarch Philip. Father grandfather husband landowner one time hippy long time philanderer Philip was the blinding sun around which the family has orbited their entire lives. Eldest daughter Frannie inheritor of a thousand acres of English countryside mother to a daughter whose future she fears for dreams of rewilding and returning the estate to nature a last line of defense against the coming climate catastrophe. Her brother Milo envisages a treetop haven for the super rich where under the influence of psychedelic drugs a new ruling class will be reborn to create a better world. Each believes their father has given them his blessing and are set on a collision course with the other. Isa Philip's estranged youngest child only hopes to reconnect with her childhood love who still lives on the estate to discover if her feelings for him are creating the fault lines in her marriage. Grace bruised and diminished after fifty years in a loveless marriage is at a crossroads wondering whether she may finally have the strength to choose between freedom and duty. And then there is Clara who arrives from America shrouded in secrets and bearing a truth that will fracture the dreams on which they've built their lives. Beautifully layered and utterly compelling Anna Hope's multigenerational saga is a bold brilliant and deeply contemporary examination of family dynamics colonial legacies and class set against the backdrop of the climate crisis
