When Dreams Tremble By Radclyffe:

When Dreams Tremble Radclyffe, 2007-01-16 Leslie Harris's visit to her upstate New York lakeside family home after a decade of triumphs and disappointment resembles a nightmare more than the quiet vacation she'd hoped for. The unexpected appearance of much-changed town-bro girl Devon Weber with whom Leslie shares a secret that haunts them both rekindles an old heart-ache and reminds Leslie of just why she left. Even though her attraction to Dev comes roaring back, the one thing Leslie doesn't want is to pick up where they left off, especially not when she already has just the life she wants: a rewarding high-power law practice, a condo in Manhattan, and a lover who satisfies her without demanding the intimacy Leslie avoids. Unfortunately, environmental biologist Devon Weber doesn't play by Leslie's rules. Two women whose lives turned out far differently than they'd once imagined discover that sometimes the shape of the future can only be found in the past, and love is strongest. **When Dreams Tremble**

Winds of Fortune Radclyffe, 2007-10-01 The fifth in the saga of the Provincetown Tales. The winds of fortune are fickle guides, and happiness or heartbreak may be the destination. For Provincetown local Deo Camara, the only winds that have ever blown her way have been cold and lonely, and she doesn't expect things to improve when she is drawn into a family crisis against her will. Despite a decade of estrangement, however, Deo can't turn her back on the call of blood, no matter how high the price in heartache. Dr. Bonita Burgoyne is pleased with the changes she's made in her life: she has a rewarding new job and is looking forward to renovating the historic sea captain's house she has just purchased. She's content, and that's all she needs to be, or so she thinks, until she hires Deo to head up the renovations. They have nothing in common except a shared legacy of betrayal by those they'd trusted the most and an impossible attraction they would both prefer to ignore. Meanwhile, Bonita's new associate, Dr. Tory King, and her partner Reese Conlon must cope with the aftermath of the winds of war and the approaching fury of a very real gathering storm. **Love to the Rescue** Radclyffe, 2019-04-16

The last time Brody Clark left the Rivers, she walked away from her life, her foolish dreams, her few friends, and the secrets she'd kept from everyone. For ten years, she'd told herself there was nothing in her past she cared about, not the family who'd given her a home, or the one girl she never stopped thinking about. But now she's back as part of the new medevac flight crew for at least as long as it takes to finally bury her ghosts. Val Valentine, DVM, planned on a big-city boutique vet practice with high-profile clients, easy hours, and lucrative profits. All until the man who was more father to her than her own asks for her help, and she ends up back in the backwater where all she has are bad memories. Brody figures cutting her ties to the past would be a hell of a lot easier if she could only avoid the woman she's never been able to forget. Since Val never even knew she was alive back in high school, that shouldn't be too hard, now. When their lives collide, both women discover what might have been is closer than they think. **Music on the Wind** Radclyffe, 2019-04-16
