Bovée, 2005-11-05 This text s user friendly format manageable length and up to date real world examples enable students to experience business firsthand Business in Action First Canadian Edition takes students on an engaging exploration of the fundamentals strategies and dynamics that make the business world work This exciting text offers numerous resources to simplify teaching promote active learning and stimulate life long critical thinking skills The Consulting Trap Chris Hurl, Leah B. Werner, 2024-05-13T00:00:00Z The Consulting Trap does a deep dive into how governments have become hooked on private consultancy firms with dire consequences for democratic decision making public accountability and accessible public services Hurl and Werner contend that firms like McKinsey Accenture KPMG and Deloitte increasingly take responsibility for core public services trapping governments in cycles of dependency Through orchestrating tax avoidance for the wealthy while engineering austerity for the rest these firms have created the foundations for the deepening privatization of the public services further entrenching their power Drawing on case studies from Canada and around the world Hurl and Werner investigate how big consultancies leverage social networks

institutionalize relationships mine and commodify data and establish policy pipelines that facilitate the quick diffusion of ideas across jurisdictions Drawing from real world examples The Consulting Trap offers strategies for how these powerful firms can be resisted using people's audits public consultations access to information requests and social network analyses

Competency-Based Accounting Education, Training, and Certification Alfred Borgonovo, Brian Friedrich, Michael Wells, 2019-06-06 This guide is designed to assist all those who are responsible for providing or overseeing formal education or practical experience that forms part of the initial professional development of aspiring professional accountants or the continuing professional development of professional accountants It is particularly relevant to professional accountancy organizations. It is also intended for policy makers and regulators who determine which organizations are licensed to certify professional accountants and related specializations for example audit professionals. The purpose of the guide is to increase understanding of the gap between the current skills of many accountants in some regions and the skills that are relevant in increasingly digitized and globalized economies convey the essential features of Competency Based Accounting Education Training and Certification CBAETC provide a common reference framework for organizations pursuing CBAETC and the consultants working with them assist countries in developing in country plans and implementing in country processes that produce accountants with higher order skills relevant to their economy s rapidly evolving needs and improve financial reporting auditing and regulation This guide complements and builds on International Education Standards IES of the International Accounting Education Standards Board IAESB
