that English language learners would be overwhelmed by study in additional languages Henn Reinke builds an argument supporting trilingual education in the US discussing issues of identity curriculum pedagogy and the impact of other psycho socio linguistic factors

101 Questions & Answers on Catholic Social Teaching: Second Edition Kenneth R. Himes, OFM, 2013 Now revised this is a concise overview of what the major documents of the tradition say about political economic and social life making accessible the key ideas that the Church has proclaimed in the area of social teaching

Why Are So Many Minority Students in Special Education? Beth Harry, Janette Klingner, 2014-12-04 The second edition of this powerful book examines the disproportionate placement of Black and Hispanic students in special education The authors present compelling research based stories representing the range of experiences faced by culturally and linguistically diverse students who fall in the liminal shadow of perceived disability They examine the children s experiences their families interactions with school personnel the teachers and schools estimation of the children and their families and the school climate that influences decisions about referrals to special education Based on the authors 4 years of ethnographic research in a large culturally diverse school district the book concludes with recommendations for improving educational practice teacher training and policy renewal The expanded second edition retains all of the vividly described cases of the original research and brings additional insight to the issue of disproportionality by Reframing the policy context to address key developments in the placement process with a particular focus on Response to Intervention Including a new appendix that describes and reflects on the challenges strengths and dilemmas of the research methodology of the study Updating the figures and literature on disproportionality Harry and Klingner challenge us to rethink our society s equity commitments and to offer educational opportunities to students with ability and racial differences Their work makes a substantial contribution to a new generation of equity research concerned with the complexities of 21st century education in pluricultural societies From the Foreword by Alfredo J Artiles Arizona State University This book provides a thorough and detailed description of the multiple factors that combine to provide inequitable educational opportunities for minority students living in poverty the authors do not shy away from discussion of racism on the individual and institutional levels they engage in this discussion in a refreshingly detailed and nuanced way TC Record first edition
