Dash Light Sam:

Boys' Life, 1963-05 *Boys' Life* is the official youth magazine for the Boy Scouts of America. Published since 1911 it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting. **Blink** Samuel E. Stone, 2001-04-18 *Blink* examines the life of a cop from his early adolescent years through his career in Law Enforcement. The action is non-stop for the main character Sam. Experiencing the pain of death and suffering surrounding him as a teenager causes him to mature at an early age in order to face his own struggle for survival. This is a story of the trauma, the pleasures, and the experiences which shape the emotional and mental essences of a man. It will take the reader across the tracks to the dark side of the world where crime is a way of life as you follow Sam from one case to another. The story spans thirty years in time. It will present the reader with a deeper understanding of Law Enforcement and the cops working their own neighborhood. Cops are people too, just like anyone else. Some are good and some are bad. Some are energetic and some are lazy. Some are honest and some are not. They make mistakes and rarely have all the answers. Each situation they become involved in is unique and requires a judgement call. There never is a right answer but usually one that works for the time. Each event centers around action and reaction, sometimes resulting in fatal solutions. This story is designed to be entertaining as well as informative. It will leave the reader with a new perspective the next time he sees a police car racing down his streets with the lights and siren blazing. **F-4 Phantom Crew Chief: Sam Lassiter's Vietnam Saga** Samuel W. Lassiter Jr., 2015-08-12 I was just one of the countless crew chiefs working F-4 Phantoms on the flight line in Thailand during the intensive action-packed latter part of the Vietnam War. This is my exciting life's story with focus on my tour at Udorn RTAFB. There are numerous books written by various fighter pilots of their missions over Vietnam with exciting aerial combat. The support level on the flight line was also grueling but in a very different role. This is my everyday life at the typical crew chief's level, keeping our fighters combat ready 24 hrs a day. Each new day brought a different challenge, dealing with sapper attacks, support for Operation Linebacker II, venomous snakes on the flight line, and living with the tropical heat and humidity. It was busy and it was noisy. Walk with me and experience what it was like in the crew chief's everyday life on the line. Sam Lassiter

The Second Life of Samuel Tyne Esi Edugyan, 2013-06-02 Samuel Tyne always believed he was destined for greatness. Emigrating to Canada from Ghana in the 1960s was the first step on this path, but fifteen years later his grand plans have stalled. He now has a wife, Maud, twin thirteen-year-old daughters, Chloe and Yvette, and a mind-numbing job. But then he is thrown a life line. His uncle Jacob dies, leaving him a grand but crumbling house in the town of Aster, and Samuel persuades his reluctant family to seize this chance for a new beginning. At first Aster seems perfect, but soon the town's faultlines are revealed, and the family begins to feel the strain. Samuel opens an electrical shop, but the business falters as he falls victim to his own outlandish ambitions, trying to build computers when all the townspeople want is lightbulbs and radios. His wife is unhappy, and as for his daughters, they are drifting into a private world of two, their behaviour becoming ever more sinister.
