

The Crucible

Act Three Questions. All questions are in order of events in Act Three.

Arthur Miller has expressed pride in *The Crucible*, which speaks about mass hysteria, social and political repression, and the tragic combination of the two. Deciding to present the play is often a response to similar circumstances. "I can almost tell what the political situation in a country is when the play is suddenly a hit there," Miller writes, "it is either a warning of tyranny on the way or a reminder of tyranny just past." (American Literature, Glencoe Literature, Columbus, Ohio, pg. 957)
