Class Schedule Rima Creative Class Schedule, 2020-08-25 h4 Course Schedule Planner Weekly and Monthly Course Organizer Course College Schedule and Academic Planner **Learn Meteor - Node.js and MongoDB JavaScript platform** Arnaud Weil, 2016-07-30 You're a developer who knows nothing about Meteor. Which is fine except that you need to start coding your next application using Meteor. Don't worry, I have you covered. I've been training hundreds of developers like you during 15 years and converted my experience into this book. I know from experience teaching what takes more time to learn in Meteor and will spend time only where appropriate. Plus this book is packed with exercises which build up into a full project you develop a small e-commerce application. You'll allow users to browse for products, add them to their basket and you'll also create a full back-end where the site administrators will be able to list, create, modify and delete products. Read this book and you can code your Meteor application within a week. Corviticus University J.E. Cluney, 2025-04-06 At Corviticus University, fitting in is supernatural. All I want is to pursue my dream of becoming a veterinarian. But as a pixie werewolf hybrid who grew up cut off from the supernatural world, I'm about to learn that university life comes with a whole new curriculum. When I score the last room in a house with four gorgeous supernatural housemates, I think my luck is finally turning around. But between a vampire who can't stand my presence, a cursed shifter who keeps turning into a cat, a warlock with a thing for suits, and a kangaroo shifter who flirts like he breathes, I'm starting to wonder if normal student housing might have been safer. As I discover abilities I never knew I had, I realize there's more to my supernatural heritage than anyone let on. And with romantic tensions rising and mysteries deepening, I must navigate not just my classes but my growing feelings for my housemates. Housemates who are hiding secrets of their own. Welcome to Corviticus University where the classes are magical, the roommates are irresistible, and nothing is quite what it seems. Perfect for fans of Sarah J. Maas and Jennifer L. Armentrout who love their romance with a supernatural twist and a dash of spice. Corviticus University is set in a mountainous town in Australia and therefore has Australian dialect and slang, although a glossary has been provided. This is book one of a COMPLETE 6 book series. *Learning Vue* Maya Shavin, 2023-12 Learn the core concepts of Vue.js, the modern JavaScript framework for building frontend applications and interfaces from scratch. With concise, practical, and clear examples, this book takes web developers step by step through the tools and libraries in the Vue.js ecosystem and shows them how to create complete applications for real-world web projects. You'll learn how to handle data communication between components with Pinia architecture, develop a manageable routing system for a frontend project to control the application flow, and produce basic animation effects to create a better user experience. This book also shows you how to create reusable and lightweight component systems using Vue.js. Bring reactivity to your existing static application. Set up a project using Vite.js, a build tool for frontend project code management. Build an interactive state management system for a frontend application with Pinia. Connect external data from the server to your Vue application. Control the application flow with static
