Blessed, 2014-04 The Age of Discovery is about the author's life from age 13 to 16 He uses strips of scenes during that age to reflect on their meaning and what can be learned from them The past is our memory Can you imagine losing your memory Discovery is intuitive deliberate more cautious prudent considered The innocent abandonment the childlike disregard of judgement suddenly cannot take root One simply cannot ignore it Life is a big bundle of little things little episodes The diverse events in the universe of life serve a definite purpose They are not accidental Life has a higher design the age of discovery is when we become more cautious more worldly wise forced by the uncharted the unknown it is a time of discontinuity The ages of restlessness and brooding will complete the other youthful places we can look Reflection reveals to us that we have a

beginning it follows we have an end The book is for learning is as much about learning about discovery Time is the partner the collaborator along with events and reflection that enable us to have a view of life s blueprint and God s hand in it God is the primary cause of all that happens in life in the universe He puts rulers in their places He raises tempests He calms the seas But we must first acknowledge God for what He is and have a personal relationship with Him *Special Study Science Council of Canada,1984* Catalog of Copyright Entries.
