Since the beginning of Christianity the Lord s Prayer has occupied an important place in the lives of Jesus s disciples for it is the prayer Jesus himself taught them Like other biblical prayers the Lord s Prayer contains words people offer to God But since this prayer is from Jesus and is part of Scripture it is also God s Word to people When we say this prayer not only are we speaking to God but God is also speaking to us Highly regarded New Testament scholar William Wright shows how this classic text can speak afresh to the life of the church today He integrates critical exegesis theological exposition and Christian spirituality to explicate the theological substance of the Lord s Prayer His goal is to help readers come to know God and love God and others more deeply through a focused study of this important Christian prayer The Touchstone Texts series addresses key Bible passages making high quality biblical scholarship accessible to the church The series editor is Stephen B Chapman Duke Divinity School

Holy Nomad Matt Litton,2012 Your faith is not just a matter of Heaven and Hell It is a matter of Joy There are people who describe eternal life as a ticket to heaven like a bond you cash in when you die They preach that we are all just here waiting for the perfect end And we wait gathering dust and baggage isolating ourselves That way of seeing the world can make life feel more like a life sentence If we re honest about our lives it seems we all reside in some type of confinement some form of prison cell We are interred by our desire to possess to protect what is ours our image our religion and our reputations And of course there are the even darker cells loss pain addiction jealousy and prejudice Joy seems in short supply There must to be another way of living a holy invitation to take the first step from your cell What if we were meant to be Nomads What if there is an ever present holy invitation to emerge What if we were made to journey with a God who is always on the move From Abraham to Jesus the essence of faith is discovered in the idea that we are traveling forward together changing emerging from our cells progressing as a people on the road toward the Kingdom of God Life to the fullest is the sacrifice the work the journey with the Holy Nomad This book is an invitation to discover the rugged road to joy
