Bringing the PMBOK Guide to Life Frank P. Saladis, Harold Kerzner, 2011-11-16 Transform the PMBOK Guide from a framework to a sharpened tool in your project manager s toolbox In project management circles it s often joked that there s the right way the wrong way and the PMBOK way to manage projects In truth it s really about the methodology you choose The PMBOK Guide is a consensus based standard that thousands of project management professionals find immensely valuable in the process of developing an effective methodology But exactly how does a project manager take the information provided in the PMBOK Guide and apply it most effectively and appropriately to an actual project environment This book can be the answer It is basically a guide to the guide a road map to applying the tools of the PMBOK Guide to your organization s

or project's unique nature and requirements. Bringing the PMBOK Guide to Life: A Companion for the Practicing Project Manager builds a bridge between the PMBOK Guide and the common needs of today's practicing project managers. It explains and elaborates on specific techniques, terms, and the application of tools that will enable project managers to effectively adapt the principles and processes described in the PMBOK Guide to the practical world of project management. Readers will find suggested approaches for the use of project management tools and techniques along with templates developed directly from information provided in the PMBOK Guide. Suggestions and study tips are also included to assist in preparing for the PMP exam and a Project Plan Accelerator (PPA) can be used with the PMBOK Guide by project managers and project teams to develop plans that are specifically tailored to meet the needs of your team, your clients, and your sponsoring organization. Written by two of the leading experts in the field, Bringing the PMBOK to Life will help every project manager translate the PMBOK Guide's tools and techniques into actionable, commonsense approaches to managing a project. PMI, PMBOK, PMP, and Project Management Professional are registered marks of the Project Management Institute, Inc. **A Guide to the Project Management Body of Knowledge** (PMBOK Guide) (4th Edition). Project Management Institute Staff, 2000. Project Management Demystified Sid Kemp, 2004-04-27. Say goodbye to dry presentations, grueling formulas, and abstract theories that would put Einstein to sleep; now there's an easier way to master the disciplines you really need to know. McGraw-Hill's Demystified Series teaches complex subjects in a unique, easy-to-absorb manner and is perfect for users without formal training or unlimited time. They're also the most time-efficient, interestingly written brush-ups you can find. Organized as self-teaching guides, they come complete with key points, background information, questions at the end of each chapter, and even final exams. You'll be able to learn more in less time, evaluate your areas of strength and weakness, and reinforce your knowledge and confidence. A time-saving self-teaching guide to project management practice, this book coaches you through defining a project, keys to project success, scheduling, time estimation, cost estimation, analysis, reducing risk, delivering quality, customer satisfaction, managing people, and more.
