**A Harmony of the Gospels, for Students of the Life of Christ** A. Robertson, 2018-03-29 A T Robertson's classic account of the New Testament Gospels arranges the chronology of Matthew Mark Luke and John side by side that readers may compare and understand how each book recounts the life of Jesus Christ A superb and classic arrangement of the Gospels A T Robertson's effort was itself based upon the Gospel Harmony of John Albert Broadus an American Baptist pastor famous for his Biblical scholarship in the 19th century With Broadus template to hand Robertson sets about presenting the four Gospel books with an annotated clarity that those interested in the Biblical narrative of Jesus may achieve superb insight Passage by passage verse by verse Robertson works his way through the Gospel narrations The birth education ministerial teachings death and resurrection of Christ are examined sequentially Robertson's chronicle is thorough noting where the Gospels quote the Old Testament we learn how each of the Gospel books differ yet complement one another in communicating Christ's message to all mankind Readers will realize that the four Gospels depict episodes in the life of Christ differently from one another particularly where Jesus various parables and teachings are concerned The finer details such as those concerning Christ's birth and his sentencing to death by Pontius Pilate are astutely observed With Robertson's cogent and chronological narrative to hand readers can better appreciate the phases of Jesus life and the gravity of His deeds and sermons This reprint offers the complete analysis together with the lists and comparative phrases appended at the conclusion of the original edition and the map of Palestine at the time of Christ The introductory outlines are preserved that the reader may swiftly conceive of the author's methodology The ample page size allows for simpler referencing while the individual passages tables and their notes are arranged to conduce swift and gratifying comprehension of the Biblical lore of Jesus Christ

**~A Harmony of the Gospels for Students** Ralph Daniel Heim, 1961 **A Harmony of the Gospels for Students of the Life of Christ** A.T. Robertson, 2018-05-15 Reproduction of the original **A Harmony of the Gospels for Students of the Life of Christ** by A T Robertson **A Harmony of the Gospels** Ralph Daniel Heim, 1947 A classic manual that has gone through more than twenty printings this book is the first Harmony of the Gospels to use the Revised Standard Version of the Bible This simple and nontechnical book presents the Gospel materials in parallel columns in order that the Bible reader can compare the varied texts It does not restrict itself simply to the Synoptic Gospels but includes the Fourth Gospel as well thus enabling an overview of the major New Testament descriptions of the life and ministry of Jesus Dr Heim presents the story mainly in terms of the action involved while at the same time disclosing the substance of the teaching passages as adequately as possible He exposes the major parallels in several accounts without tearing texts from their contexts and without constantly breaking up passages and transposing verses He deliberately focuses on the large

movements of thought and action avoiding minutiae of all kinds Although footnotes and cross references are held to a minimum an index is provided for easy location of individual passages     A harmony of the gospels Ralph Daniel Heim,1982

Cox,2006-10 Gospel harmonies were inevitable One of the first impulses of someone studying a teaching or an event in Jesus life is to seek as many perspectives on that event as possible Around AD 160 Tatian compiled a single narrative of the four Gospels reducing the number of verses from 3 780 four separate Gospels to 2 769 verses without excluding any event or teaching from the life of Jesus This Holman Christian Standard Harmony of the Gospels builds on a tradition of harmonization begun in the 19TH century by John A Broadus and continued by his protege A T Robertson The HCSB Harmony contains the full text of the each of the four Gospels in the Holman Christian Standard Bible The Harmony contains interpretive and clarifying notes by a number of scholars some with differing views on the relationship between various Gospel accounts Beyond the Harmony this volume includes articles designed to address issues that arise when one compares the four Gospels and seeks to give an integrated account of the life and teachings of Jesus The HCSB Harmony is unique in that it contains eight four color maps that illuminate the life and ministry of Jesus This resource will be valuable to pastors lay Bible teachers and will serve well as a primary textbook in college and seminary courses on the Gospels and on the Life and Teachings of Jesus Book jacket     **A Harmony of the Gospels for Students of the Life of Christ** A.
