Through the Valley~And Beyond Beth Blair, 2010-01-20 When my husband Bob died of a heart attack I was mad at God for I had spent much time in prayer for his recovery but I was angry at Satan I figuratively and literally shook my fist in his face and vowed if there was some good to be gleaned from this tragedy in my life I was going to reap it God in His mercy understood and as the seconds and minutes and hours and days and weeks and months and years dragged by the Holy Spirit was increasingly with me The following pages were penned under His guidance He was the author I was the writer You will notice that much was written during the middle of the night I learned to keep a pencil and paper by my bedside and would scribble out the words that came to me in the night Alternatively I would memorize the words that came in the darkness and commit them to paper in the morning or at the first opportunity

Walking in the Way Day by Day Keith E. Jackson MFT, 2014-10-20 This book was written as a result of questions I had concerning the state of the church of our Lord and Savior Jesus Christ I read of all the miracles God performed in the Bible and like Gideon Judges 6:13 I asked the question Where has that God gone Why am I not seeing that kind of power in my life After much prayer and meditation God started to show me what was lacking in my life I realized that walking with God was more than just memorizing Scriptures and learning formulas to get God to work on my behalf While I was paralyzed from a spinal infection I realized that some of what I had been taught in church were based on tradition and were not biblically based During this period of time God began the healing process Through faith in the Word of God I was healed physically but more importantly God gave me the assignment to pass on to others what I have learned I pray for all

those who read this book may your eyes and hearts be open to receive the message of Gods great love for you and His desire to lead you to your Promise Land **THE BEST OF THE KAMBULOW** walter kambulow,2003-06-01 As for God His way is perfect The word of the LORD is proven He is a shield to all who trust in Him For who is God except the LORD And who is a rock except our God It is God who arms me with strength And makes my way perfect He makes my feet like the feet of deer And sets me on my high places He teaches my hands to make war So that my arms can bend a bow of bronze You have also given me the shield of Your salvation Your right hand has held me up Your gentleness has made me great Psalm 18 30 35 The book is the compilation of what we consider to be some of the best chapters in the many different books that we wrote

The Spirit-Filled Journey Apostolic Church of God,2012-12-14 *Moments From The Mountainside* Jack

Droste,2021-04-12 Have you ever gazed up into the coal black sky of a warm spring night where no moon can be seen and tried to count the innumerable stars of the sky or pondered how far away the tiniest might be Did you know God created these stars as well as all the ones too far away to even be seen Have you ever stood along the banks of a mighty river or even a clear crisp babbling brook and wondered how far did that water have to travel to get to you at just this moment of time Did you know that God had to place in motion all that was required perhaps years or even decades or centuries ago just for that stream of water to be passing by you at this moment in time In Moments from the Mountainside author Jack Droste will put you in the passenger seat next to him as he drives up and down the mountain highways through the curves and turns of the back roads of the east and along the super highways of the farmlands of the upper Midwest as he shares the beauties and majesties of God s creative work However the greatest beauty to be seen won t be what is seen by the naked eye but will be seen through the testimony of the apostle Paul who wrote in Ephesians 3 18 NIV of the depth and width and breadth of the love of an amazing God one who loves you so much Come let s ride together to see what the apostle Paul meant when he wrote For since the creation of the world God s invisible qualities his eternal power and divine nature have been clearly seen being understood from what has been made Rom 1 20 NIV **Make Your Own Footprints in the Sand** Jack

Thompson,2023-02-09 No one even myself ever thought I would and could write poetry Yet with God all things are possible I have seen more tragedy and death in my life than I would hope no other person ever has to go through However through these things God has brought me out victorious I have not been perfect no not even close I have fallen short many times in my life yet God is always there to forgive and guide me home I can never thank Jesus enough for all He has done for me After the loss of my wife of forty three years I felt so alone and hurt God comforted me and sent to me a wonderful Christian lady to be my love again It has been a wonderful miracle to see how God does care and loves each one of us and knows what we need in this life Making Your Own Footprints in the Sand was my first real poem and has always been my favorite and it continues to help me and guide me through life s good days and stormy days At the end of this book I give several thoughts that God has given me over the years I hope and pray they bless you as well These poems I pray will achieve the following

Give you peace in things we ll all go through in life Help you think about the good things that are in life Build your faith and confidence in the Word and in God Inspire your mind to write preach teach or just give you some joy Thank you and God bless you for reading HAL...lelujah Jane Brown,2025-05-19 God s plan is not always our plan I knew in 1997 the Lord laid it on my heart to write a book but it was not until the pain of losing my first born that led me to finally surrender and begin this journey Looking back at my journals it became clear in my mind that all this work that had been in a box for so many years was meant to come full circle The gut wrenching stab me in the heart pain prompted me to write and begin to heal Years back I was to write a book but it was not until the tragic death of my son Hal that it became crystal clear to me that it would be a story of a mother s love loss and my faith through it all Future Perfect Jerry Udoh, Ph.D.,2022-07-22 God s plan for you as a believer is that you live in victory on earth with your eyes earnestly focused on the life of eternity with Him The Lord revealed this much to prophet Jeremiah when He declared in Jeremiah 29 11 For I know the plans I have for you declares the LORD plans to prosper you and not to harm you plans to give you hope and a future John the Apostle reiterated the same promise when he wrote in 3 John 2 Beloved I wish above all things that thou mayest prosper and be in health even as thy soul prospered Victory connotes winning over circumstances that are in opposition to the fulfillment of your destiny and to be victorious is to be free to live and utilize your potentials as God has ordained From the Scriptures we can therefore boldly conclude that there are three levels of prosperity the Lord plans for His children prosperity in health material prosperity and prosperity in the spirit I call this total or true prosperity Therefore to be a prosperous Christian you must seek for and position yourself to be a partaker of this total prosperity And this may not be possible unless you obey certain laws that pertain to life and godly living These laws are seven in number This book is a compilation of all the seven laws in one volume **The Rhyming Tao: A Poetic Journey Through the Tao Te Ching** James Godwin,2023-11-20 My journey with the Tao Te Ching has been one of profound exploration and deep contemplation The text with its enigmatic and timeless wisdom has long been a guide for those seeking understanding of the Tao and the nature of existence In my quest to bring the essence of these ancient teachings to a broader audience I embarked upon an ambitious project to transcribe each of the 81 chapters of the Tao Te Ching into rhyming verses The idea behind this endeavour was born from a contemplation of the Tao itself which flows effortlessly like a great river meandering and intertwining with the landscape of our lives In much the same way the art of rhyme introduces a rhythmic harmony to words creating a flow that is both pleasing to the ear and soothing to the soul Rhyming in its essence captures the natural cadence found in the world around us the chirping of birds the rustling of leaves and the gentle lapping of waves It reflects the Taoist principle of living in harmony with the natural world Moreover the Tao Te Ching while profound and insightful can be cryptic and challenging for many to penetrate By transforming its teachings into rhyming verses I sought to imbue them with a certain accessibility and charm Rhyme has a unique way of lodging itself in the memory allowing the wisdom of the Tao to resonate within the mind long after the words

have been read This poetic approach serves to demystify the Tao Te Ching making its profound teachings more approachable and relatable In this creative process I endeavoured to maintain the integrity and depth of the original text while also infusing it with a new life Each verse was crafted with great care ensuring that the essence of the teachings was not lost in the pursuit of rhyme The result is a collection that is both a homage to the ancient wisdom of the Tao Te Ching and a fresh interpretation for the modern seeker This rhyming rendition of the Tao Te Ching invites readers on a lyrical journey through the realms of philosophy spirituality and self reflection It is my hope that through these verses the timeless wisdom of the Tao becomes a constant companion in their quest for inner peace and understanding In the spirit of the Tao these rhymes are not just words to be read but a path to be walked a dance to be danced in the eternal flow of the universe

You Are Worth Saving Stacey Goetzinger,2018-01-11 Do you have a struggle that hurts you and your journey in this life Fighting this can feel hopeless and paralyzing if you are choosing to face it on your own But I have good news for you No matter what your struggle may be and regardless of the nature of your battle there is shameless hope to be found in the only one who truly knows how hard you strive to get a handle on what is relentless in trying to drown you His name is Jesus and he is into restoring you and me He is the healer of our hurts and the lifter of our heads I struggle with the mental illness of depression and the sickness of anorexia nervosa I have been through the darkness of self harm and at the door of having to choose the complications of life rather than leaving a legacy of suicide I get so tired but with the support of the encouragers in my life who have been chosen by God I see hope and some day some day victory The contents of this book are letters from my heart to yours We don t have to be undergoing the same struggles my friend in order to travel down this road of life together Fighting can be so very lonely We were created to live and heal in community without harsh judgment of one another I am absolutely no better than you and because we are acknowledging that we need Jesus s help and hope we can get through our trials one step at a time one day at a time Enclosed are thirty raw and honest writings that express where I am in my journey My heart s desire and prayer is that you will find camaraderie and hope Let s get better together

Chaos and Order in the Works of Natsume Sōseki Angela Yiu,1998-10-01 This is the first full length study in English of Natsume Soseki 1867 1916 one of modern Japan s most revered writers It is a critical examination of a split that runs deep in the discursive space of Soseki s writings as order narrative control and form grapples with the forces of chaos existential loneliness and unfathomable fear Displaying a profound appreciation for the key attributes and complex cultural significance of Soseki s work Angela Yiu argues that although Soseki by nature and temperament desired control and order his writing betrays a dark romantic voice that speaks

of something cavernous and amorphous Chaos and Order examines the way Soseki reinterprets existing literary forms and formulates a language to express the duality within him To illustrate the tension between chaos and order in Soseki's creative process Yiu analyzes six novels *Nowaki Gubijinso Kofu Sorekara Kojin* and *Michikusa* a collection of literary essays *Garasudo no naka* a series of lectures and critical writings and Soseki's Chinese poetry *kanshi* The problems of closure the subversion of forms critical and poetic languages and narrative structures and personae are examined in each of the genres By integrating Soseki's critical writing and lectures into a discussion of his fiction this study provides startling syntheses and insights while portraying a distinct and individual artistic and intellectual consciousness one that greatly influenced the development of modern Japanese fiction The Introduction which contains a survey of current Soseki studies in Japan will be an especially valuable reference for students of Japanese literature
