A Home For The Highland Cattle And The Anthheap:

A Home for the Highland Cattle and the Anthheap Doris Lessing, 2003-08-20 Doris Lessing's two short novels *A Home for the Highland Cattle* a wry portrait of African settler society and *The Anthheap* set in the gold fields of the former Southern Rhodesia now Zimbabwe were originally published in 1953 a collection of Lessing's shorter fictional works This Broadview edition includes both novels as well as a critical introduction and a rich selection of primary source material such as excerpts from interviews with Doris Lessing short fiction by contemporary African women writers reviews and historical documents focussing on race and socio economic conditions in the former Southern Rhodesia **Home for the highland cattle. The anthheap (A)** Doris Lessing, 1991 The Columbia Guide to Central African Literature in English Since 1945 Adrian A. Roscoe, 2008 Columbia's guides to postwar African literature paint a unique portrait of the continent's rich and diverse literary traditions This volume examines the rapid rise and growth of modern literature in the three postcolonial nations of Zimbabwe Malawi and Zambia It tracks the multiple political and economic pressures that have shaped Central African writing since the end of World War II and reveals its authors' heroic efforts to keep their literary traditions alive in the face of extreme poverty and AIDS Adrian Roscoe begins with a list of key political events Since writers were composing within both colonial and postcolonial contexts he pays particular attention to the nature of British colonialism especially theories regarding its provenance and motivation Roscoe discusses such historical figures as David Livingstone Cecil Rhodes and Sir Harry Johnston as well as modern power players including Robert Mugabe Kenneth Kaunda and Kamuzu Banda He also addresses efforts to create a literary historical record from an African perspective an account that challenges white historiographies in which the colonized was neither agent nor informer A comprehensive alphabetical guide profiles both established and emerging authors and further illustrates issues raised in the introduction Roscoe then concludes with a detailed bibliography recommending additional reading and sources At the close of World War II the people of Central Africa found themselves mired in imperial fatigue and broken promises of freedom This fueled a desire for liberation and a major surge in literary production and in this illuminating guide Roscoe details the campaigns for social justice and political integrity for education and economic empowerment and for gender equity participatory democracy rural development and environmental care that characterized this exciting period of development African Stories Doris Lessing, 2014-06-24 This is Doris Lessing's Africa where she lived for twenty five years and where so much of her interest and concern still resides Here in these stories Lessing explores the complexities the agonies and joys and the textures of life in Africa The Book Review Digest, 2003 Book Review Index, 2004 Every 3rd issue is a quarterly cumulation Rhodesian Literature in English A. J. Chennells, 1977 **Doris Lessing** Eve Bertelsen, 1985 This Was the Old Chief's Country: Collected African Stories Volume One Doris Lessing, 2012-05-31 The first volume of Doris Lessing's *Collected African Stories* and a classic work from the winner of the Nobel Prize for Literature *Breves e intensos: artículos sobre relatos cortos de autores británicos*

contemporáneos José Francisco Fernández Sánchez, 2001 Con frecuencia el relato corto ha sido un género que la crítica literaria no ha tenido suficientemente en cuenta En el rea de la Literatura Inglesa esta relativa falta de interés ha sido evidente a pesar de que en la segunda mitad del siglo XX excelentes escritores se dedicaron a esta forma narrativa tan singular La presente colección de artículos quiere servir de introducción a los relatos cortos de algunos de los principales autores británicos contemporáneos que han destacado en este campo En algunos casos se trata de autores consagrados cuyas novelas han eclipsado unos relatos que merecen ser considerados por separado En otros casos tenemos a maestros de distintos subgéneros a los que no se les ha prestado la necesaria atención crítica y por último están los autores jóvenes que bien complementan su trayectoria literaria con historias cortas de gran calidad o bien deciden dedicarse de lleno a esta forma narrativa En los trabajos de este volumen se invita al lector a iniciarse en la lectura de los relatos de los autores seleccionados así como a profundizar en el estudio de los rasgos más destacados de su producción La diversidad de enfoques que aquí se ofrece da testimonio de la enorme riqueza del relato corto contemporáneo en las letras inglesas

Light and Power for a Multiracial Nation J. Tischler, 2013-04-23 Modernisation was one of the most pervasive ideologies of the twentieth century Focusing on a case study of the Kariba Dam in central southern Africa and based on an array of primary sources and interviews the book provides a nuanced understanding of development in the turbulent late 1950s a time when most colonies moved towards independence
