The Abbot's Ghost, (a Christmas Story) Louisa May Alcott, 2016-12-04 This story is set over the Christmas period and New Year featuring a complex plot but complicated in a good way Themes intertwine in an intriguing way not an annoying way I've never read anything by Louisa May Alcott before but after enjoying The Abbott's Ghost I will be sampling more of her works in future Maurice Treherne loves his cousin the young and beautiful Octavia as does Frank Annon Octavia's mother wants her to encourage Frank's interest even though she knows her daughter has no love for the man and furthermore she doesn't want Octavia getting involved with Maurice because he's in a wheeled chair The reason for Maurice's unfortunate state is through him risking his life to save Octavia's brother Jasper about a year before the events narrated in this story Had he not been in this condition then Octavia's mother would alter her opinions Doctors say he may or may not recover in time Maurice's poor condition does not stop one of the guests Edith Snowdon from bearing feelings towards him Problem is she's married to a man much older than herself Oh yes and Jasper has designs on this beautiful married woman Add a couple more pretty ladies and handsome men with their own interests and you have a fine set of characters in this brief tale My personal favourite is Edith as she is immensely graceful in appearance and complex as a person As to whether there really is a ghost in this tale all I can say is read this book to find out

Abbot's Ghost Louisa May Alcott, 2009-08-30 Maurice Traherne is wrongly accused of fraud and gambling and must play a careful hand if he is to win his love Octavia from the grasp of other less honorable men and retain the trust of those who had faith in him Traherne is temporarily crippled saving the life of his well born friend Jaspar Thus Jaspar is assured of inheriting his father's estate but it is expected that Traherne will inherit great wealth as gratitude for saving the heir But surprise on the death of Jaspar's father all are shocked to learn that Traherne has been disinherited the will has been changed at the last minute and only the suffering Traherne knows why but won't tell and then he falls in love with Jaspar's sister the fair Octavia However Octavia is forbidden to marry as Traherne is penniless

The Abbots Ghost Or Maurice Treherne Temptation Louisa May Alcott, 2017-08-15 Louisa May Alcott enthusiasts would be delighted to read this short novel published in 1867 just a year before the grand debut of her most famous Little Women trilogy This is one of three books she wrote under the pseudonym AM Barnard She used this name to pen tales that were meant more for adult readers though younger people will find them quite interesting too The Abbot's Ghost or Maurice Treherne's Temptation is a romance mystery ghost story and novel of manners all rolled into one She subtitled it A Christmas Story and it certainly evokes memories of old fashioned holiday seasons before the advent of the Internet and TV where one sat round a cozy fire and told eerie tales to while away the time In the story Maurice Treherne is falsely implicated in a case of forgery and fraud He also loses the use of his legs while trying to save the life of his debonair man about town cousin Jasper Jasper's wealthy bachelor uncle had initially made Maurice and Jasper equal inheritors in his will but for some reason suddenly cut Maurice out of it

leaving Jasper the sole beneficiary Both cousins are in love with the beautiful Octavia Snowden another cousin who is also named in the will A femme fatale makes her appearance in the form of Edith Snowden a woman unhappily married and looking for diversion Maurice who has recently returned from a course of treatment in London to the family mansion is thrown into the midst of a mystery An eerie abbot is frequently sighted wandering through the corridors of the ancient country house Fans of the television miniseries Downton Abbey will find this story fits right in Intrigues romance dangerous vamps desperate villains and sardonic heroes they re all there Modern day readers would find the book refreshingly nostalgic harking back to a time when good triumphed over evil and all the loose ends get neatly tied up by the end of a novel Louisa May Alcott s tender yet thrilling tale of love deceit honor betrayal scandal and mystery set in a more gentle age is reminiscent of the novels of other Victorian writers In fact it would be fair to say that The Abbot s Ghost is a happy mix of Jane Austen and Charles Dickens Maurice Treherne is a memorable hero while the Ghost is as scary as they come

The Abbot's Ghost Louisa May Alcott, 2020-02-26 A right splendid old dowager was Lady Treherne in her black velvet and point lace as she sat erect and stately on a couch by the drawing room fire a couch which no one dare occupy in her absence or share uninvited The gentlemen were still over their wine and the three ladies were alone My lady never dozed in public Mrs Snowden never gossiped and Octavia never troubled herself to entertain any guests but those of her own age so long pauses fell and conversation languished till Mrs Snowden roamed away into the library As she disappeared Lady Treherne beckoned to her daughter who was idly making chords at the grand piano Seating herself on the ottoman at her mother s feet the girl took the still handsome hand in her own and amused herself with examining the old fashioned jewels that covered it a pretext for occupying her telltale eyes as she suspected what was coming

The Abbot's Ghost, Or Maurice Treharne's Temptation Illustrated Louisa May Alcott, 2021-03-16 The Abbot s Ghost or Maurice Treharne s Temptation A Christmas Story by Louisa May Alcott is a classic Christmas story When Maurice Treharne saves Jasper s life and becomes temporarily crippled he hopes to win the love of Octavia and get Jasper s inheritance But when Jasper s father dies and Treharne learns that he has been disinherited he is forbidden to marry Octavia
