Bbc News Uk Election:

The Prime Ministerial Court R. A. W. Rhodes, 2024-10-25 Court politics is about who in British government did what to whom when how why and with what consequences In The Prime Ministerial Court Rod Rhodes provides a thorough depiction of the court politics of the Conservative governments of the twenty first century namely the courts of David Cameron Theresa May and Boris Johnson Exploring specific topics including the courtiers the prime minister s craft reshuffles resignations and leadership challenges and the political games and feuds in the court between ministers advisers and civil servants Rhodes concludes that the British government has a new Establishment in which the skills of knavery abound He finds evidence of betrayal revenge lying scandals and bullying with such machinations oiled by gossip humour and alcohol Analysing the everyday practice of the dark arts by the British political and administrative elite each chapter includes a short case study of the court in action covering the education wars the 2018 election and the Covid 19 crisis Each case illustrates the personal electoral and governmental consequences of court politics Rhodes warns that there are more and more knaves decency is in decline and British government needs rules for rulers Above all he cautions citizens beware here be dragons

Conservative Party Politicians at the Turn of the 20th/21st Centuries: Their Attitudes, Behaviour and Background Dr Nigel Gervas Meek, 2012 Using data collected from one of the most comprehensive quantitative surveys of its type Conservative party politicians at the turn of the 20th 21st centuries offers an authoritative insight into the behaviour background and attitudes of Conservative politicians in England Scotland and Wales at all levels from local councillors to MPs Peers and MEPs

The Era of Authoritarian Neoliberalism Ernesto Gallo, 2025-07-28 We live in an era of crises How should we address them Many turn to experts particularly economists or technologists Others look to strong authoritarian leaders as seen in China or Russia Some advocate a return to the nation state rejecting globalization and targeting immigrants But what about democracy Are we prepared to abandon it This book argues that since the 1970s neoliberalism has increasingly favored authoritarian solutions It s time to break this cycle and strive for a more just fair green and equitable planet

Racism and the Tory Party Mike Cole, 2022-12-30 Racism is an endemic feature of the Tory Party Tracing the history of that racism Racism and the Tory Party investigates the changing forms of racism in the party from the days of Empire including the championing of imperialism at the turn of the 20th century and the ramping up of antisemitism the imperial and racial politics of Winston Churchill the rise of Enoch Powell and Powellism to the Margaret Thatcher years the birth of racecraft and her policies in Northern Ireland and the hostile environment and its consolidation and expansion under Theresa May and Boris Johnson s premierships Throughout the book all forms of racism are addressed including the various forms of colour coded and as well as non colour coded racism as they are put in their historical and economic contexts This book should be of relevance to all interested in British politics and British history as well as undergraduate and postgraduate students studying the sociology and politics of racism as well as for students of the history

of the development of British racism and of imperialism and its aftermath Classifying Elections in Britain Christopher Kirkland,2019-11-15 This book seeks to understand and classify differences that exist between a variety of elections in Britain It moves beyond first and second order classifications developed following the European Parliamentary Elections in 1979 to include elections of devolved administrations such as the Scottish Parliament local mayors or the Police and Crime Commissioner Elections Drawing upon a range of elections the book develops a new classification based on the interactions that exist between voters the media and political parties In doing so it argues that alongside voters political parties and the media can and do prioritize certain elections The author explores the role of each group within elections individually through case studies The final chapter then offers an overall means of understanding the levels of salience attached to each election

The British General Election of 2019 Robert Ford,Tim Bale,Will Jennings,Paula Surridge,2021-11-02 The British General Election of 2019 is the definitive account of one of the most consequential and controversial general elections in recent times when Boris Johnson gambled everything calling an early election to Get Brexit Done and emerged triumphant Drawing upon cutting edge research and wide ranging elite interviews the new author team provides a compelling and accessible narrative of this landmark election and its implications for British politics built on unparalleled access to all the key players and married up to first class data analysis The 21st volume in a prestigious series dating back to 1945 it offers something for everyone from Westminster insiders and politics students to the interested general reader *The British General Election of 2017* Philip Cowley,Dennis Kavanagh,2018-09-27 The British General Election of 2017 is the definitive and authoritative account of one of the most dramatic elections in British history Throwing aside her natural caution Theresa May called a snap election and was widely expected to crush Jeremy Corbyn s Labour Party Her gamble backfired spectacularly as the Conservatives lost their Commons majority to a resurgent Labour led by one of the most unconventional politicians to lead a major British political party Drawing on hundreds of interviews with unparalleled access to all the key players The British General Election of 2017 offers a revelatory guide to what really happened The 20th edition in this prestigious series of books dating back to 1945 it is designed to appeal to everyone from Westminster insiders and politics students to the wider general public The Evolution of Conservative Party Social Policy B. Williams,2015-05-13 This book addresses how the Conservative Party has re focused its interest in social policy Analysing to what extent the Conservatives have changed within this particular policy sphere the book explores various theoretical social political and electoral dimensions of the subject matter *Web Journalism://* Sean Tunney,2009-12-03 Provides an analytical account of the implications of interactive participation in the construction of media content This work seeks to critically assess Internet news production It is suitable for those engaged in the debate over Web reporting and citizen journalism

Racism and Austerity Mike Cole,2025-06-24 This powerful book analyses racism within Britain s Tory Party along with its immigration policies and imposition of austerity exposing how 14 years of Tory rule deepened inequality and division With vivid examples

from the Windrush scandal and Grenfell tragedy to Islamophobia Cole reveals how hostile environment policies the age of austerity and brutal budget cuts have shaped lives and communities Combining sharp analysis with historical context the book uncovers how these issues are deeply tied to capitalism and class struggles In the light of the rise of the far right in Britain and offering both immediate solutions and a vision for systemic change this crucial work challenges us to imagine a fairer more compassionate society grounded in justice and solidarity

Choosing party leaders Andrew Denham, Peter Dorey, Andrew S. Roe-Crines, 2020-05-15 How political parties choose their leaders and why they choose the leaders they do are questions of fundamental importance in contemporary parliamentary democracies This book examines political leadership selection in the two dominant parties in recent British political history exploring the criteria and skills needed by political leaders to be chosen by their parties While the Conservative Party's strong record in office owes much to ability to project an image of leadership competence and governing credibility the Labour Party has struggled with issues of economic management leadership ability and ideological splits between various interpretations of socialism The authors argue that the Conservatives tend towards a unifying figure who can lead the Party to victory whereas the Labour Party typically choose a leader to unite the party behind ideological renewal Exploring the contemporary political choices of leaders like Boris Johnson and Jeremy Corbyn this book offers a timely insight into the leadership processes of Britain's major political players

The Responsibility to Protect and the International Criminal Court Serena Sharma, 2015-12-22 This book provides an account of how the responsibility to protect R2P and the International Criminal Court ICC were applied in Kenya In the aftermath of the disputed presidential election on 27 December 2007 Kenya descended into its worst crisis since independence The 2007/08 post election crisis in Kenya was among the first situations in which there was an appeal to both the responsibility to protect and a responsibility to prosecute Despite efforts to ensure compatibility between R2P and the ICC the two were far from coherent in this case as the measures designed to protect the population in Kenya undermined the efforts to prosecute perpetrators This book will highlight how the African Union sponsored mediation process effectively brought an end to eight weeks of bloodshed while simultaneously entrenching those involved in orchestrating the violence Having secured positions of power politicians bearing responsibility for the violence set out to block prosecutions at both the domestic and international levels eventually leading the cases against them to unravel As this book will reveal by utilising the machinery of the state as a shield against prosecution the Government of Kenya reverted to an approach to sovereignty that both R2P and the ICC were specifically designed to counteract This book will be of interest to students of the Responsibility to Protect humanitarian intervention African politics war and conflict studies and IR Security Studies in general

Power, Politics and Territory in the 'New Northern Ireland' Elizabeth DeYoung, 2023-10-15 Winner of the ACIS Donald Murphy Prize for Distinguished First Book 2023 In the wake of the Good Friday Agreement the redevelopment of the former Girdwood Army Barracks in North Belfast was hailed as a symbol of hope for Northern Ireland It was a major investment in a

former conflict zone and an internationally significant peacebuilding project Instead of adhering to the tenets of the Agreement sectarianism dominated the regeneration agenda Throughout the process politicians community groups and paramilitaries wrangled over the site s future and territorial contest won out over housing need After eleven years of negotiation and 11.7 million the EU funded Girdwood Community Hub opened its doors to the public in 2016 but its impact has been underwhelming The Hub s redevelopment is a microcosm of the peace process itself and the ways in which post Agreement politics have failed to deliver a shared future for the people of Northern Ireland twenty five years on This ethnography provides a lively account of Girdwood s redevelopment and a wry critique of the fractious political context around it Through fl nerie and encounter the author brings us across peace walls into community meetings and behind the scenes of decision making in Northern Ireland Girdwood s story also sheds light on how power politics and territory intersect in divided cities globally

Democratic Incongruities D. Judge, 2014-03-07 Clear disparities exist between notions of representative democracy and political practice in Britain Alternative models of democracy however have their own incongruities in trying to marry representation and democracy This book analyses the mismatches in democratic theories and between theory and practice in British representative democracy

Online Reporting of Elections Einar Thorsen, 2014-10-29 This book contributes to debates concerning online reporting of elections and the challenges facing journalism in the context of democratic change The speed of technological adaptation by journalists and their audiences means online news is gradually becoming a normalised part of media landscapes across the world Journalists monitor social media for insight into the political process and as an instant indication of public sentiment rather than waiting for press releases and opinion polls Citizens are actively participating in online political reporting too through publishing eyewitness accounts political commentary crowd sourcing and fact checking information of political manifestos and media reports alike It is therefore growing increasingly important to understand how political journalism is evolving through new communicative forms and practices in order to critique its epistemological role and function in democratic societies and examine how these interventions influence daily online political reporting across different national contexts This volume covers comparative research based studies across a range of national contexts and electoral systems including Australia ten African countries the European Union Greece the Netherlands India Iran Sweden the UK and the USA This book was originally published as a special issue of Journalism Practice

The Decade in Tory Russell Jones, 2022-10-27 In 2020 the United Kingdom reached a bewildering milestone ten successive years of Conservative rule In that decade there were three prime ministers each in turn described as the worst leader we ever had ministerial resignations by the hundred and an unrelenting stream of ineffectual divisive bum slurry oozing from 10 Downing Street The Decade in Tory is an inglorious rollicking and entirely true account of ten years of demonstrable lies relentless incompetence epic waste serial corruption official police investigations anti democratic practices abuse of power dereliction of duty and hundreds of thousands of avoidable deaths With his

signature scathing wit Russell Jones breaks down the government's interminable failures year by year covering everything from David Cameron's pledge to tackle inequality which reduced UK life expectancy for the first time since 1841 through the bewildering storm of lies and betrayals that led to Brexit devastating education cuts serial mismanagement of the NHS and Boris Johnson's calamitous response to the Covid 19 pandemic It will leave you gasping and wondering can things possibly get any worse **The Oxford Handbook of Electoral Systems** Erik S. Herron, Robert J. Pekkanen, Matthew S.

Shugart, 2018-03-15 No subject is more central to the study of politics than elections All across the globe elections are a focal point for citizens the media and politicians long before and sometimes long after they occur Electoral systems the rules about how voters preferences are translated into election results profoundly shape the results not only of individual elections but also of many other important political outcomes including party systems candidate selection and policy choices Electoral systems have been a hot topic in established democracies from the UK and Italy to New Zealand and Japan Even in the United States events like the 2016 presidential election and court decisions such as Citizens United have sparked advocates to promote change in the Electoral College redistricting and campaign finance rules Elections and electoral systems have also intensified as a field of academic study with groundbreaking work over the past decade sharpening our understanding of how electoral systems fundamentally shape the connections among citizens government and policy This volume provides an in depth exploration of the origins and effects of electoral systems A Nation in Crisis Neville Kirk, 2023-10-05 Since the

2007-8 financial crisis and its aftershocks international capitalism has once again been in crisis The crisis has been particularly marked in the UK and its outcome is currently unclear Based upon a wealth of sources from newspapers journals government political party and polling organisation publications as well as archival and secondary material Neville Kirk examines the systemic crisis facing the nations of the UK The book traces the crisis from the period following the 2016 EU referendum up to 2022 a period during which the crisis intensified and became more widespread Kirk covers the elections of 2017 and 2019 political fragmentation Scottish nationalism Brexit the coronavirus pandemic continuing economic problems and conflicts around class gender race and nation Finally the book considers competing pathways out of the current impasse Through his thorough examination of the UK's main political parties and players Kirk offers the reader a new and original understanding of how we reached the present situation **UK Politics** Andrew Blick, 2021 UK Politics is the ideal

introduction to the subject providing students with the foundational understanding critical perspectives and historical knowledge they need to make sense of politics in the United Kingdom today Populism, Nativism, and Economic Uncertainty Delton T. Daigle, Joséphine Neulen, Austin Hofeman, 2018-11-17 This project offers an in depth look at the three 2017 elections held in Western Europe France Germany and the UK With events like Brexit and a general rise in right wing populism across highly industrialized nations understanding the underlying causes of increasingly extreme electoral behavior is both valuable and prescient A highly theoretically focused and current project it provides a consistent methodological and

analytic approach that uses election study data and primary sources to offer a complete and cogent picture of this complex phenomenon as can only be found by examining the attitudes and behaviors of the most powerful of democratic participants the voters

Unveiling the Magic of Words: A Report on "**Bbc News Uk Election**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring. Enter the realm of "**Bbc News Uk Election**," a mesmerizing literary masterpiece penned with a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve into the book's central themes, examine its distinctive writing style, and assess its profound effect on the souls of its readers.
