"This book is awesome!! I had spent thousands on other study material with no results. I was pleasantly surprised by how high quality the guide is despite it's incredibly affordable price tag. It provides an extensive overview of all the major clinical topics and the questions really boosted my confidence. I'm happy to say I passed my BCPS!"

-ASHLEY, PGY-1 COMMUNITY PHARMACY RESIDENT

"The BCPS certification is becoming more and more recognized. I'm a practicing clinical pharmacist in Singapore and this guide really attracted me since it was updated with the most recent guidelines without the crazy pricetag that ACCP and other associations were charging. It's exactly what I needed to pass the first time!"
