

How I made it in the tiresome journey of 28th BCS- Preliminary Exam

Dear BCS Candidates ,

My heartiest "sympathy" to all you guys as you have stepped into one of the most tedious roads towards success. About me, couple of days back I was a poor soul wondering about what will happen after 2.5 years of hardwork , patience and unbearable uncertainty. Fortunately, I made it in 28th BCS and my position was 4th in the Police merit list.

Before I start, one thing I want to clearly state that I do not consider myself qualified enough to "Teach" you how to do well in the BCS exam. As your fellow traveller, I am just sharing my experience. If you find these "Tips" useful and use them to achieve much bigger success, I will consider my efforts successful.

So let's get started!!!

As you all know, BCS starts with Preliminary exam. In my opinion, Preliminary is the toughest of all the exams a candidate face in the entire process. You get only one hour to answer 100 questions and the syllabus is as big as an ocean- these two things combined make the preliminary exam most challenging. Ironically, marks of preliminary exam are not added in the selection process-all you need to do is pass!

I followed the following strategies to pass the preliminary exam (both 28th and 29th):

PREVIOUS PRELIMINARY EXAMS:

This is the first step every BCS candidate should take- they should collect the questionnaire of BCS preliminary exams from 10th-29th BCS and solve them thoroughly. Little booklets containing all the preliminary questions are found in Nilkhet which should not cost more than 50 taka. Before you start your preparation, collect it and solve all the questions. This exercise will give you a very good idea of what you will face in the real exam. As they say in Guerilla Warfare handbooks-"Knowing your enemy is winning half the battle"-so appropriate for BCS!!!
