

"This is the story of the heroes of our collective past. What is fascinating, however, is that so many of these heroes have gone missing for so long. I can gladly recommend this book to anyone interested in the historical journey of the United States."

## **Beads On A String Special Edition Americas Racially Intertwined Biographical History:**

**Beads on a String** Ey Wade, 2011-09-07 This is America's first multiracial history book. Tired of picking up an American history book and seeing the accolades given to one ethnicity race at a time. Ever wondered what the Chinese, Japanese, or any other race contributed to America within a certain time frame? **Beads on a String: America's Racially Intertwined Biographical History** is the book for you to read. It is the ONLY American history book to include and applaud all races. **Beads on a String** celebrates such people as Hiawatha who fought for freedom of his people, Lonnie Johnson who invented the Super Soaker, Dalip Singh Saund who was a member of the United States House of Representatives, Rev. Rick Warren who blessed the 2008 Presidential Inauguration, Arpad G. C. Gerster who was one of the first surgeons in America, Yamato Ichihashi who was one of the first academics of Asian ancestry in the United States, Antonio Meucci who invented the telephone, Michael Jackson who entertained Minoru Yamasaki, second generation Japanese American architect who designed the World Trade Center, and Amadeo Peter Giannini who founded the Bank of Italy which later became Bank of America. **Beads on a String: America's Racially Intertwined Biographical History** never stops celebrating our heritages from the naming of the country by Martin Waldseemüller to the elimination of overt racial discrimination through education, entertainment, and to the glorious day of racial, political, and social unification with Barack Obama's Presidential election. **Beads on a String: America's Racially Intertwined Biographical History** will be a great asset to the educational system as well as in the lives of people all over the world. With the election of Barack Obama as President, it has been made clear: America is ready for a change. That change should take effect within the history books.
