Broken Promise Hayes,Alex A. Lazzarrino,1981-06 **Copyright's Broken Promise** John Willinsky,2022-12-06 A comprehensive proposal for reforming copyright law to ensure sustainable public access to research and scholarship Open access is widely supported by researchers librarians scholarly societies and research funders as well as large and small publishers Yet despite this support and the pandemic s demonstration of the importance of open access for scientific progress the scholarly publishing market is failing to deliver open access quickly enough In *Copyright s Broken Promise* John Willinsky presents the case for reforming copyright law so that it supports rather than impedes public access to research and scholarship He draws on the legal strategy of statutory licensing to set out the terms and structures by which the Copyright Act could ensure that publishers are fairly compensated for providing immediate open access What sets Willinsky s analysis apart is its focus on the current state of scholarly publishing Because copyright offers so little legal support for moving publishing to open access though it is best for science he says it is time to stop regarding the Copyright Act as a law of nature that can only be circumvented contravened or temporarily set aside Specifically he proposes that the Copyright Act add a new category of work called research publications which would be subject to statutory licensing This would allow publishers to receive royalty payments from the principal institutional users universities industry R D research institutes and so on and sponsors of the work foundations and government agencies while providing immediate open access **A Crown Forged in Fire** Denielle Placide,2025-10-01 You were not meant to be consumed by the fire You were meant to be crowned in it What if your greatest pain is the very thing God is using to shape your purpose What if the wounds you hide are actually

the marks of a warrior being prepared for victory In *A Crown Forged in Fire Where Pain Meets Purpose and Victory* Denielle Placide delivers a soul stirring faith filled call to rise from the ashes of heartbreak rejection unforgiveness and trauma Weaving together her personal journey the story of Queen Esther and powerful biblical truths she reveals that pain is not where your story ends it is where your transformation begins What has happened to you cannot be undone What has happened to you does not define you What has happened to you can transform you True healing requires courage the courage to confront your pain release the past and step into your God ordained destiny It s time to stop surviving and start thriving Through raw testimonies deep reflection and spiritual empowerment this book will guide you to Break free from the chains of past pain and reclaim your identity See trials as divine preparation not destruction Find the courage to heal even when it feels impossible Step into the power and purpose God designed for you Walk boldly in faith knowing your crown was forged in fire You were never meant to bow to the fire You were meant to rise from it Your crown is waiting will you claim it
