Hobgood, 2014-01-23 Allison P Hobgood tells a new story about the emotional experiences of theatregoers in Renaissance England Through detailed case studies of canonical plays by Shakespeare Jonson Kyd and Heywood the reader will discover what it felt like to be part of performances in English theatre and appreciate the key role theatregoers played in the life of early modern drama How were spectators moved by delight fear or shame for example and how did their own reactions in turn make an impact on stage performances Addressing these questions and many more this book discerns not just how theatregoers were altered by drama s affective encounters but how they were undeniable influences upon those encounters Overall Hobgood reveals a unique collaboration between the English world and stage one that significantly reshapes the ways we watch read and understand early modern drama

Moving beyond Morrison's representation of ghosts as the forgotten or occluded past, Juda Bennett uncovers how Morrison imagines the spectral sphere as always already queer, a provocation and challenge to heteronormativity with the ghost appearing as an active participant in disruptions of compulsory heterosexuality as a figure embodying closet desires or as a disembodied emanation that counterpoints homophobia. From *The Bluest Eye* to *Home*, Morrison's novels have included many queer ghosts that challenge our most cherished conceptions of love and speak to cultural anxieties about black sexualities, gay marriage, AIDS, lesbian visibility, and transgender identities. Not surprisingly, the scene-stealing ghost Beloved appears at the very heart of this book, but Bennett cautions against interpretative stasis, inviting readers to break free of the stranglehold Beloved has had on imaginations so as not to miss the full force of Morrison's lifelong project to queer love. *The Queer Child, or Growing Sideways in the Twentieth Century*, Kathryn Bond Stockton, 2009-10-20. A study of the queer child using literary psychoanalytic and cultural theory.

Sexual Disorientations, Kent L. Brintnall, Joseph A. Marchal, Stephen D. Moore, 2017-11-07. *Sexual Disorientations* brings some of the most recent and significant works of queer theory into conversation with the overlapping fields of biblical, theological, and religious studies to explore the deep theological resonances of questions about the social and cultural construction of time, memory, and futurity. Apocalyptic, eschatological, and apophatic languages, frameworks, and orientations pervade both queer theorizing and theologizing about time, affect, history, and desire. The volume fosters a more explicit engagement between theories of queer temporality and affectivity and religious texts and discourses.

21st-Century Gay Culture, David A. Powell, 2009-03-26. *21st Century Gay Culture* offers a collection of essays on the state of queer culture and queer studies at the beginning of the millennium. Authors from a variety of fields and specialties investigate topics concerning the ever-fluid nature of labels and definitions in the LGBTQQA world. Issues include queer African Americans, same-sex marriage, French gay culture, closeted and semi-closeted queers, among others. *African American Review*, 2006.

Callaloo, 2007. A Black South journal of arts and letters.

Eve Kosofsky Sedgwick, Jason Edwards, 2008-08-27. Eve Kosofsky Sedgwick was one of the most significant literary theorists of the last forty years and a key figure in contemporary queer theory. In this engaging and inspiring guide, Jason Edwards introduces and explains key terms such as affects, the first-person homocialities, and queer taxonomies, performativities, and cusps; considers Sedgwick's poetry and textile art alongside her theoretical texts; encourages a personal as well as an academic response to Sedgwick's work, suggesting how life-changing it can be; offers detailed suggestions for further reading. Written in an accessible and direct style, Edwards indicates the impact that Sedgwick's work continues to have on writers, readers, and literary and cultural theory today. *Bibliographic Index*, 2008.
