Military Innovation in the Interwar Period Williamson R. Murray,Allan R. Millett,1998-08-13 In 1914 the armies and navies that faced each other were alike right down to the strengths of their companies and battalions and the designs of their battleships and cruisers Differences were of degree rather than essence During the interwar period however the armed forces grew increasingly asymmetrical developing different approaches to the same problems This study of major military innovations in the 1920s and 1930s explores differences in exploitation by the seven major military powers The comparative essays investigate how and why innovation occurred or did not occur and explain much of the strategic and operative performance of the Axis and Allies in World War II The essays focus on several instances of how military services developed new technology and weapons and incorporated them into their doctrine organization and styles of operations

A Game of Chance Andrea Kirkpatrick,2023 It s almost impossible to imagine spending eight months at sea without once putting foot on land But that s exactly what whalers experienced when playing the dangerous game of chance hunting down leviathans

for oil and bone all for a lay or share of the vessel's spoils A Game of Chance is the first comprehensive in depth study of British North American South Seas whaling Author Andrea Kirkpatrick takes readers on a series of fascinating and sometimes fantastical journeys as she chronicles in great detail the story of a largely forgotten industry that operated out of Nova Scotia and New Brunswick ports from the 1760s to 1850 Kirkpatrick plumbed the depths of myriad logbooks and journals to piece together the often murky tales of an astonishing number of ships In this treatise covering a century of whaling she shares details such as ownership tonnage voyages captains pedigrees and names of crewmen including nascent whaler Herman Melville author of Moby Dick Hoping for greasy luck the men who manned these ships found both camaraderie and competition as they hunted the world's whaling grounds from Cape Horn to Kamchatka many circumnavigating the globe during their careers They battled squalls and high seas scurvy and venereal disease heartbreak and homesickness and sometimes each other Many never returned home their bodies committed to the deep or buried on foreign land Written in two parts landward and seaward Kirkpatrick's clear prose and adoption of whaling lingua franca brings this high risk venture to the fore with authenticity newly revealed facts and remarkable stories of adventure **The dispatches and letters of vice admiral ... Nelson, with notes by sir N.H. Nicolas** Horatio Nelson (1st visct.), 1846

Right here, we have countless books **Two Captains By** and collections to check out. We additionally offer variant types and as a consequence type of the books to browse.
