## **Wait No Paint By Bruce Whatley:**

Wait! No Paint! Bruce Whatley, 2005-06 This clever retelling of The Three Little Pigs is full of jokes and surprises that encourage young readers to use their imaginations to think about how books are created Full color **Folktales Retold**

Amie A. Doughty, 2015-03-14 Folktales and fairy tales are living stories as part of the oral tradition they change and evolve as they are retold from generation to generation In the last thirty years however revision has become an art form of its own with tales intentionally revised to achieve humorous effect send political messages add different cultural or regional elements try out new narrative voices and more These revisions take all forms from short stories to novel length narratives to poems plays musicals films and advertisements The resulting tales paint the tales from myriad perspectives using the broad palette of human creativity This study examines folktale revisions from many angles drawing on examples primarily from revisions of Western European traditional tales such as those of the Grimm Brothers and Charles Perrault Also discussed are new folktales that combine traditional storylines with commentary on modern life The conclusion considers how revisionists poke fun at and struggle to understand stories that sometimes made little sense to start with *Playing with Picturebooks* C. Allan, 2012-10-10 Offers new insights into the continuing influence of postmodernism on a wide range of international picture books for children published between 1963 and 2008 Its chapters include metafiction disruption to narrative conventions interrogation of truths historiographic metafiction difference and ex centricity globalisation and media Postmodern Picturebooks Lawrence R. Sipe, Sylvia Pantaleo, 2010-04-26 Over the past 15 years there has been a pronounced trend toward a particular type of picturebook that many would label postmodern Postmodern picturebooks have stretched our conventional notion of what constitutes a picturebook as well as what it means to be an engaged reader of these texts The international researchers and scholars included in this compelling collection of work critically examine and discuss postmodern picturebooks and reflect upon their unique contributions to both the field of children s literature and to the development of new literacies for child adolescent and adult readers **Transforming Preschool Storytime** Betsy Diamant-Cohen, Melanie A. Hetrick, 2013-06-18 According to recent research the best way to make new connections in a child s brain is by building on something already known A child who loves a book will listen to it repeatedly maintaining interest Using a selected book in a number of consecutive preschool storytimes but presenting it differently each time can help children learn new skill sets This book presents a new approach to storytime one that employs repetition with variety to create an experience which helps children connect and engage with the story on a higher level Diamant Cohen recently awarded the 2013 ASCLA Leadership and Professional Achievement Award and Hetrick offer a year s worth of activities specifically designed to address multiple intelligences through a repetition based process Incorporating recent theories on developmental learning this book includes Scripts for 8 different books with enough activities to repeat each one for six weeks along with lists of optional alternative books Planning aids such as outlines of storytime sessions a fill in the blanks

planning sheet questions for evaluation and tips for enhanced storytimes using props and crafts Detailed but straightforward explanations of theory and research that will help readers communicate effectively with parents caregivers and other stakeholders From setup to execution here s everything you need to create and implement a successful elevated storytime
