*United States International Monetary Fund. Monetary and Capital Markets Department, 2015-04-02* This paper discusses key findings of the Detailed Assessment of Observance of the Insurance Core Principles on the United States. The assessment finds a reasonable level of observance of the Insurance Core Principles. There are many areas of strength, including at the state level, the powerful capacity for financial analysis with peer group review and challenge through the processes of the National Association of Insurance Commissioners. Lead state regulation is developing, and a network of international supervisory colleges has been put in place. Key areas for development include the valuation standard of the state regulators, especially for life insurance and group capital standards.

**United States International Monetary Fund, 2010-05-14** This paper discusses key findings of the Detailed Assessment of Observance of International Association of Insurance Supervisors (IAIS) Insurance Core Principles for the United States. Most U.S. insurers write primary insurance on U.S. risks. The U.S. market is characterized by low market concentration in most sectors, indicating a high degree of competition. Overall, the insurance sector and the property and casualty companies in particular have been resilient through the financial crisis. However, there have also been significant stresses in the insurance sector in the last two years.
