with patients and colleagues the reduction of compassion to the skill of empathy the rote recital of the medical history as a song and the new vogue for resilience as response to increasing levels of stress and burnout in the profession A Homeric lens also shows new ways of thinking about translation of medical lingo into patients understanding the relatively high levels of anger and error shown in clinical interactions and modern phenomena such as whistleblowing in the face of unacceptable error or misbehaviour While exhaustion and burnout are becoming more common in medicine the authors ask if a more lyrical rather than epic and tragic stance might benefit medical work Drawing on a wealth of experience in the field the book promotes a new kind of medicine and medical education fit for the 21st century but envisages these through the ancient lens of Homer's two epics In the heroic glory elaborated in the Iliad and the themes of homecoming and hospitality set out in the Odyssey Homer provides a narrative arc that is a blueprint of modern medicine's development from a heroic endeavour to a contemporary collaborative provision of hospitality where the hospital remains true to its name and doctors engage in work of care rather than fighting disease with the hospital as battleground

Choose Wisely - A 31 Day Devotional: Learn How to Make Choices to Transform Your Life Debby Sibert, 2021-04-22 Have you found that some of the many choices you make on a daily basis

have become habits that don't serve you well. We have to become intentional about avoiding those poor choices to experience a better way of life. Do you want to make a positive impact and leave the world around you a bit better than you found it? Then let's choose to make wiser decisions remembering that words matter, character counts, and our conduct what we think, say, and do reveals our heart. The purpose of this 31-day devotional series is to help us all focus on godly characteristics and attributes that can become a daily part of our character and equip us to make wise choices. When we make wise choices based on God's Word, they will bring us the satisfaction in life that we all long for, which will gradually transform our lifestyle into one that will be an example for others and point them to Christ. My goal in this series is to help you fall in love with Jesus in a new and fresh way as we discuss all these character qualities that He modeled for us in the Scriptures. As we focus our attention on His attributes and embrace an eternal perspective, imitating what He modeled for us, the more we will think and act like Him. Isn't that awesome? We become like those with whom we spend the most time. The way we think affects how we feel, and how we feel affects the way we behave. If we want to change the way we act, we must go back and change our thoughts and choices. We are only as close to God as we choose to be. Keep in mind, God gives us the freedom to make choices; however, we have to deal with and don't get to choose the consequences of both the good and bad choices we make. Jesus chose to die for us. The least we can do is to choose to live for Him. I am so thankful for Debby Sibert for her writing, for her teaching, and for her life. She is the real deal. She loves God's Word, and she loves helping people experience abundant life according to God's good design. You will be blessed, encouraged, challenged, and ultimately changed by God's grace through her. David Platt, New York Times Best Selling Author, Lead Pastor, McLean Bible Church.
