students to communicate with patients and colleagues the reduction of compassion to the skill of empathy the rote recital of the medical history as a song and the new vogue for resilience as response to increasing levels of stress and burnout in the profession A Homeric lens also shows new ways of thinking about translation of medical lingo into patients understanding the relatively high levels of anger and error shown in clinical interactions and modern phenomena such as whistleblowing in the face of unacceptable error or misbehaviour While exhaustion and burnout are becoming more common in medicine the authors ask if a more lyrical rather than epic and tragic stance might benefit medical work Drawing on a wealth of experience in the field the book promotes a new kind of medicine and medical education fit for the 21st century but envisages these through the ancient lens of Homer's two epics In the heroic glory elaborated in the Iliad and the themes of homecoming and hospitality set out in the Odyssey Homer provides a narrative arc that is a blueprint of modern medicine's development from a heroic endeavour to a contemporary collaborative provision of hospitality where the hospital remains true to its name and doctors engage in work of care rather than fighting disease with the hospital as battleground

**What If Christians Grew Up?** Yaholo, 2014-03-06 What's wrong with Christianity Why does it so often seem like the church is working against good in the world instead of helping it What if we got the facts right but the story wrong What If Christians Grew Up takes the beliefs most common in mainstream Christianity and puts them under the lens of building a dynamic relationship with God a relationship in which we began as infants but through which we grow to be the heirs of God This book was written to equip Christians who are passionate about social justice and effective engagement in the world around us to express their beliefs in a world where the Bible is so often used to justify ignorance and persecution

Agency, Norms, Inquiry, and Artifacts: Essays in Honor of Risto Hilpinen Paul McNamara, Andrew J. I. Jones, Mark A. Brown, 2022-04-14 The book contains a collection of chapters written by experts from the fields of philosophy law logic computer science and artificial intelligence who pay tribute to

Professor Risto Hilpinen's impressive work on the logic of induction on deontic logic and epistemology and on philosophy of science. In addition to an introduction by the editors a section on Professor Hilpinen's positions professional services and honors as well as a complete bibliography of his writings the editors McNamara Jones and Brown have compiled a multidisciplinary global cross section of academic contemporaries that provides insights and perspectives on Hilpinen's influence and legacy. The essays reflect central aspects of Risto Hilpinen's research interests and offer further contributions to some of the philosophical fields for which he is best known applied modal logic including deontic logic from the ancient Greek down to pertaining to the concepts of duty and obligation the semantics of normative language the logic of action and the theory of practical reasoning the analysis of the concept of artifact and the theory of semiotics in the tradition of Charles Peirce. The presence in the collection of several papers relating to deontic logic underlines Hilpinen's importance in that area in which his publications have long been recognized as standard works. The book is an essential collection of ideas for all those who feel at home in a variety of formal disciplines from propositional logic to the logic of artificial intelligence.

Drugs and Society Glen Hanson, Peter Venturelli, Annette Fleckenstein, 2009. Choose Wisely - A 31 Day Devotional: Learn How to Make Choices to Transform Your Life Debby Sibert, 2021-04-22. Have you found that some of the

many choices you make on a daily basis have become habits that don't serve you well. We have to become intentional about avoiding those poor choices to experience a better way of life. Do you want to make a positive impact and leave the world around you a bit better than you found it? Then let's choose to make wiser decisions remembering that words matter, character counts, and our conduct. What we think, say, and do reveals our heart. The purpose of this 31-day devotional series is to help us all focus on godly characteristics and attributes that can become a daily part of our character and equip us to make wise choices. When we make wise choices based on God's Word, they will bring us the satisfaction in life that we all long for, which will gradually transform our lifestyle into one that will be an example for others and point them to Christ. My goal in this series is to help you fall in love with Jesus in a new and fresh way as we discuss all these character qualities that He modeled for us in the Scriptures. As we focus our attention on His attributes and embrace an eternal perspective, imitating what He modeled for us, the more we will think and act like Him. Isn't that awesome? We become like those with whom we spend the most time. The way we think affects how we feel, and how we feel affects the way we behave. If we want to change the way we act, we must go back and change our thoughts and choices. We are only as close to God as we choose to be. Keep in mind, God gives us the freedom to make choices; however, we have to deal with and don't get to choose the consequences of both the good and bad choices we make. Jesus chose to die for us. The least we can do is to choose to live for Him. I am so thankful for Debby Sibert for her writing, for her teaching, and for her life. She is the real deal. She loves God's Word, and she loves helping people experience abundant life according to God's good design. You will be blessed, encouraged, challenged, and ultimately changed by God's grace through her. David Platt, New York Times Best Selling Author, Lead Pastor, McLean Bible Church.
