Beautiful And Bipolar Life Love And Mental Illness:

Bipolar Girl: My Psychotic Self Maricela Estrada, 2017-08-24 Maricela Estrada was raised in East Los Angeles by her widowed traditional Mexican mother. The author felt depressed most of her life and missed having a father. Her first suicide attempt happened at age 14 and she survived multiple suicide attempts. After high school, Maricela had a psychotic episode and was admitted into a psychiatric hospital where she was diagnosed with bipolar disorder with psychotic features. She felt stigmatized and was in denial about her mental illness. Accepting it was the hardest thing she has ever done. But once she accepted it, her life changed in a beautiful way, allowing her to accomplish all her goals and embrace a beautiful life. Maricela's mental health recovery came through medication, therapy, attending support groups, prayer, emotional support from family and friends, and her emotional support dog Gypsy Blue. *Bipolar Girl* is an inspiring story of one woman's journey through mental health recovery. This memoir demonstrates the true meaning of hope, resiliency, and faith, and it will touch many people's lives.

My Bipolar Memoir of Poetry and Hope Susan Walz, 2017-07-27 My memoir shares my story of what it's like to live, survive, and eventually thrive with Bipolar 1 Disorder. Through my unique and creative approach of using poetry and prose, I take the reader with me on my journey full of pain, sorrows, losses, suicide attempts, homelessness, the ups and downs of bipolar, and how I learned how to cope, reached recovery, and became a bipolar survivor. My journey shows my strength and perseverance to overcome many obstacles and struggles, and is full of hope, love, inspiration, and my faith in God. My collection of poetry and prose express my pain, sorrow, courage, resiliency, inspiration, and hope all at the same time. Honestly and openly, I share my deep and most inner thoughts in a manner that lets the reader enter inside my mind, showing what it's like to live with bipolar, which can be very sad, lonely, and painful, but can also be a very positive life full of hope, love, and the joy of living and survival. I hope my book will inspire and give hope to everyone that reads it.

Are You a Zero? Jakka Pradeep, 2016-07-21 Are you a Zero? It is your choice. Yes, you are made up of choices you make. So what is your choice? Think for a while and read the wisdom of *Failure Truths*, which encounters your negative thoughts about failure and life-changing views that increase your self-confidence when you face a failure. Don't fear failure in the first attempt because even successful maths starts with Zero only. A. P. J. Abdul Kalam.

Melancholy, Mania and Miracles Shelley Thody, 2012-11-27 Mental illness, when untreated, can feel like imprisonment. This book was written to give hope to those suffering from mental illness and more specifically bipolar disorder. The struggles associated with this condition are not isolated and often create a frightening halo effect that impacts parents and other family members trying to care for a loved one who is suffering. The main purpose of this book is to offer knowledge, insight, and guidance to people and the families who support them by witnessing an intense, frightening, and ultimately joyful journey with bipolar. We don't go through hell and back without a good reason, and I recently felt my story needed to be shared. One binding thread throughout my book is that although the mind is very strong, God's love and will are much stronger. I am now a happy, healthy, married mom with three beautiful children. I have

been an elementary teacher for the last seventeen years and have not required major interventions or hospitalization for twenty five years My story can educate and offer hope to those who are struggling with bipolar disorder and want to re establish equilibrium in their lives and the lives of those they love **Beautiful & Bipolar: Life, Love, and Mental Illness** MS Erika Nicole Dennis,2013-09-17 Beautiful Bipolar is a look into the life of Erika Nicole Dennis An Educated Witty and Down to earth young social worker discovering life love and mental illness Throughout the story Erika defies odds while struggling with the day to day stigmas associated with mental illness and its taboos Love, Beauty or Morality Alberto Castelli,2024-05-23 This book is moved by two main questions Is Love a matter of beauty or mortality In other words is love an ethical ideal Also modernity understood as the age of mechanical reproduction has shaped not simply our cities but our very same way of feeling How has our conception of love changed if it has in the past two centuries This book is to address these questions It is not to trace the evolution of the idea of love in Western culture from Plato to the present day It aims to bring to the surface different shades of love lingering at the heart of Western culture to rehabilitate the myth of love to its original credibility Our confused civilization has split love into sensual and moral aspects but to be aware of it is perhaps to defeat a dilemma that seems so unnatural This book is about how we make sense of our lives through love and how nineteenth and twentieth century literature records it **Bipolar Disorder** Jarrett Barnhill,2012-02-24 Bipolar Disorder Portrait of a Complex Mood Disorder is a step towards integrating many diverse perspectives on BD As we shall see such diversity makes it difficult to clearly define the boundaries of BD It is helpful to view BD from this perspective as a final common pathway arises from multiple frames of reference The integration of epigenetics molecular pharmacology and neurophysiology is essential One solution involves using this diverse data to search for endophenotypes to aid researchers even though most clinicians prefer broader groupings of symptoms and clinical variables Our challenge is to consolidate this new information with existing clinical practice in a usable fashion This need for convergent thinkers who can integrate the findings in this book remains a critical need This book is a small step in that direction and hopefully guides researchers and clinicians towards a new synthesis of basic neurosciences and clinical psychiatry **Endangered Bipolar** P. S. Lutz,2014-09-07 Five years of symptom free existence prompts this most recent offering Endangered Bipolar Learning to Outlive the Option of Suicide It is an uncompromising poetic philosophical account of the life threatening influence of modern society on the sensitive mind of a bipolar Tucked within the book s pages of Lutz s incisive personal perspective on civilization s poison rain are a number of his equally incisive and romantic poems and a recent dramatic and musical work Rainlight that refreshingly distills many of Endangered Bipolar s chapter concepts **Beauty from the Ashes** Darbie Tomas,2014-11-03 We are troubled on every side yet not distressed we are perplexed but not in despair Persecuted but not forsaken cast down but not destroyed 2 Corinthians 4 8 9 Beauty From The Ashes is one womans testimony of Gods unfailing strength authority and deliverance against the spiritual strongholds which gained control and not only threatened to destroy

her life but continued to vex her family Darbie Tomas pulls back the veil to reveal a compelling Mona Lisa portrait of the Christian mother Her story depicts the woman who with a calm smile exercises God given intuition and instinct to guide and protect her children against predators and negative influences She also portrays the wounded warrior who falls down on her knees at the end of the day and through tears of intercessory prayer draws courage and strength from God to rise again refreshed and ready for the next battle

Love Life Anyway! Gracie Dalton, 2013-08 This book is a grace filled account of a healing journey that transcended horrific childhood sexual abuse and adult rape It is written in complete truth and transparency specifically to give others the freedom to speak out It brings home the message that healing from ANY trauma is simply a choice to follow the healing path one faith filled step at a time It speaks honestly of her battle with mental illness at age 41 that was the start of her own healing journey She leads you step by step through not just the sterile accounting of it all but with all the heartfelt emotions as well Though it is written from a Christian perspective it is spiritually open and reveals the many paths that eventually led her to her own truth Her heartfelt prayer God please heal me began six years of learning that forgiveness is the only key to unlocking her self made prison of suffering

Narcissist in a Man and How I Handled Mental Health Amelia Danieri, 2022-06-10 The summary for me writing this book is to learn that brutal name calling and not having the fear put in my head That is what this individual has been trying to do with mind games and head games The hard part for anyone to try and write a book on abuse is fully knowing you have the strength and courage to accept what was done and know none of this was the woman s fault The only thing I can be very open about is never hide who you are as person Never let that type of man make you feel that you can t ever accomplish the dreams you are set out to do The person I am won t ever be the same again And I do know this after the abuse with all the mind games the lies and the holding everything over my head The way it was and the truth to all of this is yes I do know the past ex relationship it did happen to me Everything he put me through and done His job social life and friends I can honestly say I really guess I never knew a true brutal mean He has every one of his friends wrapped his finger a narcissist man My whole purpose for writing this book is not only for me but to open people s eyes and realize any kind of abuse is never ok It doesn t matter what kind it is Don t let drugs become your power and abuse to a woman He never cared

Finding Jesus in the Storm John Swinton, 2020-09-30 Drawing from theological reflection on the lives of 30 Christians with severe mental health challenges depression bipolar disorder and schizophrenia leading disability theologian John Swinton contends that mental health problems require theological understanding and not just medical intervention In fact he argues it is not necessary to care effectively for Christians experiencing severe mental illness to grasp the theological dimensions of such experiences Therapy and pharmacology may be helpful but on their own they are deeply inadequate By listening carefully to the lived experiences of people with severe mental health problems FInding Jesus in the Storm will open up new understandings and perspectives that challenge current assumptions and draws out fresh perspectives for care healing recovery and community It is a book

about people instead of symptoms description instead of diagnosis and lifegiving hope for everyone in the midst of the storm
