**The Favourite Game** Leonard Cohen, 2009

This warm and lyrical semi autobiographical first novel by singer songwriter Leonard Cohen charts the coming of age of Lawrence Breavman the only son of a Jewish Montreal family Children show scars like medals Lovers use them as secrets to reveal A scar is what happens when the world is made flesh Lawrence Breavman seeks two things love and beauty Beginning with the innocent games of delicious misadventure with first love Lisa and the absorbing wanders through Montreal with best friend Krantz Breavman's tale is a distant echo of Catcher in the Rye and Portrait of the Artist as a Young Man injected with 1960s aesthetics and Cohen's unique poetry As Breavman grows into a young man the emerging writer continues his quest for beauty and love finding himself in the arms of Shell and a burgeoning realisation of his own talent for appreciating majesty in the grotesque

Postmodern Canadian Fiction and the Rhetoric of Authority Glenn Deer, 1994

Criticism that takes an ideological approach to Canadian writing is scarce political rhetorical studies are even more uncommon In this original approach to postwar Canadian fiction Glenn Deer presents provocative readings of ideologies as well as experiments with authorial stances

**The Contemporary Leonard Cohen** Kait Pinder, Joel Deshay, 2023-11-28

The Contemporary Leonard Cohen is an exciting new study that offers an original explanation of Leonard Cohen's staying power and his various positions in music literature and art The death of Leonard Cohen received media attention across the globe and this international star remains dear to the hearts of many fans This book examines the diversity of Cohen's art in the wake of his death positioning him as a contemporary multi media artist whose career was framed by the twentieth century and neoliberal contexts of its production The authors borrow the idea of the contemporary especially from philosophy and art history applying it to Cohen for the first time not only to the drawings that he included in some of his books but also to his songs poems and novels This idea helps us to understand Cohen's techniques after his postmodern experiments with poems and novels in the 1960s and 1970s It also helps us to see how his most recent songs poems and drawings developed out of that

earlier material including earlier connections to other writers and musicians Philosophically the contemporary also sounds out the deep feelings that Cohen's work still generates in readers and listeners Whether these feelings are spiritual or secular sincere or ironic we get them partly from the sense of timeliness and the sense of timelessness in Cohen's lyrics and images which speak to our own lives and times our own struggles and survival From a set of international collaborators The Contemporary Leonard Cohen delivers an appreciative but critical examination of one of our dark luminaries

**Transnational Canadas** Kit Dobson, 2011-04-07 Transnational Canadas marks the first sustained inquiry into the relationship between globalization and Canadian literature written in English Tracking developments in the literature and its study from the centennial period to the present it shows how current work in transnational studies can provide new insights for researchers and students Arguing first that the dichotomy of Canadian nationalism and globalization is no longer valid in today's economic climate Transnational Canadas explores the legacy of leftist nationalism in Canadian literature It examines the interventions of multicultural writing in the 1980s and 1990s investigating the cultural politics of the period and how they increasingly became part of Canada's state structure Under globalization the book concludes we need to understand new forms of subjectivity and mobility as sites for cultural politics and look beyond received notions of belonging and being An original contribution to the study of Canadian literature Transnational Canadas seeks to invigorate discussion by challenging students and researchers to understand the national and the global simultaneously to look at the politics of identity beyond the rubric of multiculturalism and to rethink the slippery notion of the political for the contemporary era

**A Study of Magical Realism in Leonard Cohen's Beautiful Losers** Keara Axelrod, Glen R. Cuomo, 1999 **Leonard Cohen** Reynolds Kannary, 1974 *Stories Done* Mikal Gilmore, 2008-11-11 Profiles music performers from the 1960s and 1970s in an account that also recounts famous rock and roll events and includes coverage of such figures as John Lennon Bob Dylan and Bob Marley **Could it be Magic?** Cynelle Allen Ensign, 1976 **Corporeal Cartographies** Philipp Hofmann, 2010 The book focuses on the importance of corporeality in Leonard Cohen's prose works *The Favourite Game* 1963 and *Beautiful Losers* 1966 It argues that prevailing post structuralist theories that describe the body as discursively constructed cannot do justice to the real and violent proportions of the bodies in Cohen's visionary texts These theories should be complemented by the neo materialist approach developed by French philosophers Gilles Deleuze and Félix Guattari who stress the importance of physical forces and intensities that affect the production and the expression of bodies both in life and art Series n 1 work science medium Vol 4 **This is Our Writing** T. F. Rigelhof, 2000 Punctuate his title as you like but T F Rigelhof considers *This is Our Writing* a declaration an enquiry and an exclamation As a writer of half a dozen a reviewer of dozens upon dozens and as a reader of a multitude more books Terry Rigelhof knows much about writing in Canada In these eleven essays he asks what is best in what has been written by Canadians in the twentieth century He examines selected works of some writers whose accomplishments need serious revaluation What are the real achievements

of Robertson Davies Carole Corbeil Mavis Gallant Mordecai Richler Hugh Hood Leonard Cohen and George Grant Rigelhof comes up with a list that will surprise some and dismay others This is a book for readers who have always known in their heart of hearts that Robertson Davies was an egregious windbag and that underneath the inspired silliness of their carefully contrived and managed public images Mordecai Richler and Leonard Cohen have produced three of the most intelligent novels we have In a sequence of interlocking personal essays Rigelhof explores living a writerly life in Canada at the end of the twentieth century The text is fortified by a dozen photographs all but one previously unpublished by Gabor Szilasi one of Canada's greatest active documentary photographers     *From Cohen to Carson* Ian Rae, 2008-03-26 *From Cohen to Carson* provides the first book length analysis of one of Canada's most distinctive fields of literary production Ian Rae argues that Canadian poets have turned to the novel because of the limitations of the lyric but have used lyric methods puns symbolism repetition juxtaposition to create a mode of narrative that contrasts sharply with the descriptive conventions of realist and plot driven novels
