## **Because This Is Forever:**

A ^ANew English Translation of the Septuagint Albert Pietersma, Benjamin G. Wright, 2007-11-02 Translated from Hebrew and Aramaic originals in the two centuries before Jesus the Septuagint provides important information about the history of the text of the Bible For centuries scholars have looked to the Septuagint for information about the nature of the text and of how passages and specific words were understood For students of the Bible the New Testament in particular the study of the Septuagint s influence is a vital part of the history of interpretation But until now the Septuagint has not been available to English readers in a modern and accurate translation The New English Translation of the Septuagint fills this gap

Always a Loser, Forever a Champion Tim Ehlerding, 2011-02 A remnant of dedicated fans joined in from the stands and surrounding grounds Those left were there because they had to stay not because they wanted to Always the loser never the champ Nick mumbled the scuffed helmet still covering his face A clump of grass from the final tackle still clung to the bars on the facemask He kept the headgear well secured to shroud his watery eyes still glassy from the result of the night s battle Looking around he noticed at least ten others still keeping their helmets on For thirty nine years the phrase always a loser echoed in the halls of not only the North Adams football team but the entire Decatur community Prognosticators reviewing this year s team with little talent and less size all said the Braves would add one more notch to their dismal history For an entire city and a team of factory workers facing their own losses the odds for success were even longer Not this year according to head football coach Tony Glandorf No is not an answer four workers proclaimed We will not fail the city s Mayor shouted out As a player two teams and an entire city try to carry on in the face of continual adversity can they find a way to run to the green Always a Loser Forever a Champion is inspired by true stories
