approach to almost any identified KGB or GRU officer in almost any environment a technique known as a cold pitch It soon yielded results within five years COURTSHIP had netted about twenty assets Codenamed FORTHWITH Sergei was betrayed in December 2001 Arrested in 2004 he was convicted of high treason in Russia but was subsequently included in a prisoner swap in July 2010 and brought to the UK The journey to the attempt on his life had begun The Vienna spy swap was the culmination of a CIA plan to free a specific individual Gennadi Vasilenko who had been the Agency s key mole inside the KGB since March 1979 To acquire the necessary leverage the FBI swooped on a large network in the United States bringing to an end a surveillance operation codenamed GHOST STORIES that lasted ten years Anxious to avoid further embarrassment over the arrests Vladimir Putin personally authorised an exchange unaware of Vasilenko s true status It was only after the transaction had been completed and two further Russian spies were exfiltrated from Moscow that the Kremlin learned of Vasilenko s value and the scale of the deception For the very first time a Russian government had been persuaded to release four traitors and send them to the West The humiliation was complete As Spy Swap reveals Putin s retribution would manifest itself in a quiet Wiltshire market town
