The Glory and the Dream William Manchester, 2013-11-12 A New York Times bestselling historian's in depth portrait of life in America from the Depression era to the early 1970s Magnificent The New York Times Award winning historian and biographer William Manchester author of The Last Lion an epic three volume biography of Winston Churchill brings us an evocative exploration of the American way of life from 1932 to 1972 Covering almost every facet of American culture during a very diverse and tumultuous period in history Manchester's account is both dramatic and surprisingly intimate with compelling details that could only be known by a dedicated historian who lived through and documented this fascinating time It's an enlightening affecting and highly entertaining journey through four extraordinary decades in the life of America There is no fiction that can compete with good gossip anecdotal history the inside story of who said or did what in moments of great tensions or crisis I think you ought to read this history and weep read it and laugh read it and don't repeat it Anatole Broyard

The Soul of an American President Alan Sears, Craig Osten, Ryan Cole, 2019-06-04 While there have been many biographies of Dwight D Eisenhower that focus on his military career or the time of his presidency none clearly explores the important role faith played both in his personal life and in his public policy This despite the fact that he is the only US president to be baptized as a Christian while in office Alan Sears and Craig Osten invite you on a journey that is unique in American history and is essential to understanding one of the most consequential admired and complex Americans of the 20th Century The story begins in abject poverty in rural Texas then travels through Kansas West Point two World Wars and down Pennsylvania Avenue This is the untold story of a man whose growing faith sustained him through the loss of a young son marital difficulties depression career disappointments and being witness to some of the worst atrocities humankind has devised A man whose faith was based in his own sincere personal conviction not out of a sense of political expediency or social obligation You've met Dwight Eisenhower the soldier and Dwight Eisenhower the president Now meet Dwight Eisenhower the man of faith
