At His Feet A Guided Study Through The Gospel Of John:

At His Feet Marci Preheim, 2015-05-28 Most people have preconceived ideas about what the Bible says who Jesus is and what He requires from His disciples But how many people actually take the time to investigate these things The Gospel of John makes it clear that our human minds tend to default to systems of religion and self justification Most people think the Bible is a handbook for how to work our way to God Just the opposite is true Because we could not work our way to Him God worked His way to us Jesus said I am the way and the truth and the life No one comes to the Father except through me John 14 6 The path He provided is a free gift given to all who believe The apostle John wrote his Gospel so that you may believe that Jesus is the Messiah the Son of God and that by believing you may have life in his name John 20 31 Come sit at His feet with me Journey with me into this amazing work and perhaps you will find a paradigm shift taking place in your life Jesus did not come to save the religious elite or those who have the highest theological credentials He came to proclaim good news to the poor to bind up the brokenhearted to proclaim freedom for the captives and release the prisoners from darkness Isaiah 61 1 He came for sinners like you and me *The Divine Picture Book: A Study Guide for the Book of Revelation* James E. Sebela, 2013-12-19 In this detailed study outline of the book the author connects the message of the book to its Old Testament roots and reclaims it for contemporary Christians struggling to live out their faith in what seems to be an increasingly hostile world The author presents the images of Revelation as a divine picture book not to be debated or to serve as a detailed calendar of end time events but to reassure believers today that the promise of the gospel is still as real fresh and powerful as it s ever been **Questions Jesus Asked Leader Guide** Magrey deVega, 2023-04-04 What does Jesus want to know about us Jesus was fond of asking questions many of which cut right to the heart of what it means to be human Why are you terrified What do you live for Who do you say that I am In *Questions Jesus Asked* author Magrey deVega explores six of the most provocative questions Jesus posed to others and guides us in answering them for ourselves Asking these questions takes courage Not only do they reveal what Jesus really cares about they open a window into our hearts We all have questions for God but growth happens when we turn things around and ask what Jesus wants to know about us When we dare to raise them these questions bring us a fuller appreciation for the wisdom power and presence of God in our lives Are you willing to step out in faith Are you ready to answer the questions Jesus asked The *Leader Guide* contains everything needed to guide a group through the six week study including session plans activities discussion questions and multiple format options Additional components include the book *Questions Jesus Asked* and video teaching sessions featuring Magrey deVega making this perfect as a group study throughout the year **New Testament Study Guide, Pt. 3** Randal S. Leonard Quick, M. Div.,2023-02-02 The second coming of Jesus Christ draws closer with every tick of the clock With every heartbeat each person is closer to meeting the Lord face to face The question at hand is When will this occur A more pressing question is Are you your family and your church ready specifically The purpose of the book of Revelation is to inform and prepare each person and church for the reality of the second coming The purpose of this book is to inform train and prepare individuals and churches to engage the present culture with the gospel as we experience the radical effects of these long prophesied end times This book is written for those who know very little about the Bible or the Christian faith as well as for those who have followed Christ faithfully for decades Jesus constant challenge in Scripture was and is Be ready
