At Table With The Lord Foods Of The First Century:

The Lord's Table Gillian Feeley-Harnik, 2017-01-30 No detailed description available for The Lord's Table **Food, Virtue, and the Shaping of Early Christianity** Dana Robinson, 2020-08-13 Greco Roman food culture provides important concepts grounded in everyday experience which allow ordinary Christians to define virtue and create community **Of Widows and Meals** Reta Halteman Finger, 2007 Though community has become a common byword in the contemporary Western church the practice of communal sharing has effectively fallen by the wayside Unfortunately it is often the poor who are left wanting because we no longer come together Reta Halteman Finger finds a solution to this modern problem by learning from the ancient Mediterranean Christian culture of community In the earliest Jerusalem church in holding the responsibility for preparing and serving communal meals women were given a place of honor With the table fellowship and goods sharing of the early church Luke says there were no needy persons among them Acts 4:34 Finger thoroughly examines this agape meal tradition challenging traditional interpretations of the community of goods in the Jerusalem church and proving that the communal sharing lasted for hundreds of years longer than previously assumed *Of Widows and Meals* begins a discussion of need in community that can revolutionize the contemporary church's interaction with the world at large

When I in Awesome Wonder Jill Y. Crainshaw, 2017 All of life is liturgy People encounter God as they live work and play in human communities and as they work to sustain the health of communities and the ground on which communities are built Liturgy is distilled from everyday life when we peer through the mist and see the sacramental and spiritual dimensions of daily actions objects conversations and events In *When I in Awesome Wonder* Jill Y. Crainshaw explores this dimension of spirituality and celebrates the ways God's sacramental gifts and presence arise from and return to everyday human experiences *The Four Gospels on Sunday* Gordon W. Lathrop, 2012-06-01 Premier liturgical theologian Gordon Lathrop argues that far too often liturgy preaching and liturgical theology are informed by naive and outdated exegesis In another fully original and deeply reflective work Lathrop partners with newer biblical studies to see the Gospels anew He treats the Gospels as early witnesses to the meaning of Christian assembly and forces in the shaping and reshaping of liturgy Lathrop first probes each Gospel historically and exegetically to discern what it tells us about early Christian worship and Christians' relationship to the Risen One Then Lathrop treats the Gospels together to draw out more of their contemporary importance especially ways in which they can enrich our reflection about the assembly itself ministry baptism the use of scripture in liturgy and unity within ecumenical diversity Taking seriously the origins of the New Testament as we understand them today Lathrop demonstrates that the Gospels can remain a true catalyst for liturgical theology and liturgical renewal as well as an inspiring link to the faith and convictions of the earliest followers of the Christian way *The Peter Myth* Karl L. Oakes, 2020-10-20 After the close of the New Testament era AD 70 Christianity entered a literary dark age which lasted until the middle of the second century This period is filled with Christian pseudepigrapha pious fiction misleading forgeries and

genuine writings which have been misdated The Peter Myth shines a ray of light into the darkness The most explosive issue confronting the young church was whether gentiles needed to be circumcised and keep the Law The apostles struggled with the terms of admission for twenty years and in Acts 15 finally reached a consensus We are saved by faith in Christ There was a handful of believing Pharisees who refused to accept their decision and insisted that gentiles were also bound by Torah These men won over the churches of Galatia where a hybrid form of Christianity began to unfold They wrote their own Scriptures which are still extant and in an unrecorded schism separated from the apostles The Peter Myth connects the Galatian heresy with those Scriptures the earliest writings of historic Christianity to reconstruct an authentic history of the first and second century church *The Living Diet* Martha Tatarnic,2019-04-17 The Living Diet invites us to consider our relationship to food from a Christian perspective Food can't live with it or without it We are bombarded with messages that the secret to health and weight loss can be unlocked with the right product or magic discipline but we are getting neither thinner nor happier Reports suggest that we are losing our battle with obesity while the anxiety people experience in relationship with food increases We are taught that bodies are fundamentally a problem to be solved or worse a war to be won while a misguided worldview suggests that our food choices are of concern to us alone an individual act of pleasure or consequences Few resources speak to our food problem from a distinctly Christian perspective Drawing on a rich assemblage of personal and collected stories grounded in the teachings of Jesus The Living Diet offers a joyful alternative to the desperation and dissatisfaction that have become cultural norms for both eating and body image inviting us to consider our choices in the context of community Ancient wisdom yields a surprisingly modern response to the dieting dilemma as well as to the realm of public or popular theology helping the reader discover the real joy of eating and the true gift of embodied living *They That Wait* Rick White,2015-07-30 Why does God have us wait Why can't my prayers be answered the way I want when I want Is there a purpose in the delay There are answers to those questions and you will find them in Pastor Rick White's book *They That Wait* The word wait can have several different perspectives and each one can have a unique purpose Discover the purpose of your wait within the pages of this book Learn how God works during the silent times of your spiritual journey Mary and Martha said Lord if you had only been here They were looking for a healing but God's delay brought about a miraculous resurrection *Not Bread Alone* Nathan MacDonald,2008-09-25 In ancient Israel the production of food was a basic concern of almost every Israelite Consequently there are few pages in the Old Testament that do not mention food and food provides some of the most important social political and religious symbols in the biblical text *Not Bread Alone* is the first detailed and wide ranging examination of food and its symbolism in the Old Testament and the world of ancient Israel Many of these symbols are very well known such as the forbidden fruit in the Garden of Eden the abominable pig and the land flowing with milk and honey Nathan MacDonald demonstrates that the breadth biblical symbolism associated with food reaches beyond these celebrated examples providing a collection of interrelated studies that draw on work on food in

anthropology or other historical disciplines The studies maintain sensitivity to the literary nature of the text as well as the many historical critical questions that arise when studying it Topics examined include the nature and healthiness of the ancient Israelite diet the relationship between food and memory in Deuteronomy the confusion of food sex and warfare in Judges the place of feasting in the Israelite monarchy the literary motif of divine judgement at the table the use of food in articulating Israelite identity in the post exilic period The concluding chapter shows how some of these Old Testament concerns find resonance in the New Testament

Having Jesus for Dinner: Community or Cannibalism Christopher Levan, 2023-05-09 Most Christians claim to know to Jesus as a friend or guide as an inspiration and model We adore him and even worship him But what happens when you have him for dinner This book explores the development of the meal practice of Jesus s followers as they move from having Jesus as the guest at their table to having Jesus as the main course Most believers don t give it a second thought now but that is a dramatic change Initially Jesus is the host at a common shared meal that signaled acceptance to all In a few short years Christians began eating Jesus as an act of devotion Jesus the bread of life Jesus the true vine How did this the shift from community to cannibalism take place Does it make sense relative to Jesus s stated mission And what have been the consequences of taking what began as ordinary shared supper and turning it into a symbolic and ritualized sacrament Join Christopher Levan as we go from bread recipes to first century meal practice We ll recline with other disciples and relive the joys of having Jesus as the host and ask if we can reset the table of the Lord for the twenty first century

"The Poor, the Crippled, the Blind, and the Lame" Louise A. Gosbell, 2018-08-03 The New Testament gospels feature numerous social exchanges between Jesus and people with various physical and sensory disabilities Despite this traditional biblical scholarship has not seen these people as agents in their own right but existing only to highlight the actions of Jesus as a miracle worker In this study Louise A Gosbell uses disability as a lens through which to explore a number of these passages anew Using the cultural model of disability as the theoretical basis she explores the way that the gospel writers as with other writers of the ancient world used the language of disability as a means of understanding organising and interpreting the experiences of humanity Her investigation highlights the ways in which the gospel writers reinforce and reflect as well as subvert culturally driven constructions of disability in the ancient world

Table Talk Mike Graves, 2017-10-24 For nearly

two thousand years followers of Jesus have gathered in churches to eat a meal called Communion in his memory In Table Talk Mike Graves claims if we could travel back to those earliest Christian gatherings we would realize we are not just two thousand years removed we are light years removed from how they ate when gathered because eating was why they gathered in the first place a kind of first century dinner party Four characteristics of their Communion practices would leap out at us traits that are scattered throughout the New Testament but that often go unnoticed how the meal was part of a full evening together promoting intimacy how it was a mostly inclusive affair everyone welcome at the table how it was typically festive more like a dinner party and how afterwards they enjoyed a lively conversation on a host of topics But Table Talk explores more than just Communion practices because a new way of doing church is happening around the world gatherings more horizontal than vertical For two thousand years Christians have oriented themselves toward God in the presence of others now a growing number of congregations part of the dinner church movement are orienting themselves toward each other in the presence of God This book tells their story and helps us rethink our own

No Strangers Here Judy Chin Chan, 2017-10-13 Churches are traditionally among the first to respond to the call to aid strangers in distress In this age of globalization one group of strangers in particular asylum seekers and refugees is in urgent need of welcome as they flee their homelands in search of safety This same group however faces hostility and rejection in many places What should be the church's response This book argues that Christian hospitality offers a powerful theological and pastoral response to such vulnerable strangers in our midst For that to happen the church must answer two questions What is Christian hospitality and How do we put it into practice with refugees and asylum seekers Part One answers the first question with a cross disciplinary study of sacred hospitality in both ancient and modern times Part Two tackles the second with a fascinating case study of the church's outreach to refugees and asylum seekers in an international Chinese city As communities worldwide receive refugees and asylum seekers this book offers Christian hospitality and the Hong Kong experience as one hopeful response to needy strangers at our doorstep It is a welcome theological and practical resource for refugee ministry in the twenty first century

History of the Church of God Cushing Biggs Hassell, Sylvester Hassell, 1886

Food Justice and Hospitality in Luke-Acts Gideon S. S.

Paulraj,2023-05-23 Food security is a multifaceted concept and extends beyond the production of availability of and demand for food This book attempts to explore the meal narrations in Luke Acts as a source for a theology of hospitality to ascertain Luke s concern for the immigrant the poor the homeless the hungry and the outcasts This book focuses on fifteen meal scenes in Luke Acts and contributes to Lukan scholarship on meals particularly in addressing the issue of food insecurity Firstly by incorporating cultural dimensions and anthropology to understand the social context of the first century world this book contributes a new perspective on the Lukan audience which was stratified by socioeconomic and religious disparities in terms of privilege wealth and power Secondly this book analyzes the Lukan concern with the social structure and the social political economic and religious setting behind his emphasis on the pto set macron over o choi and the marginalized concerning livelihood needs such as food and shelter Thirdly this book connects Lukan concern with contemporary theologies that include an emphasis on hunger and hospitality such as liberation theology Dalit theology and practical theology Thus the book challenges readers and offers a few recommendations for implementations to combat hunger and destitution

Foreigners and Their Food David M. Freidenreich,2011 *Foreigners and Their Food* explores how Jews Christians and Muslims conceptualize us and them through rules about the preparation of food by adherents of other religions and the act of eating with such outsiders David M Freidenreich analyzes the significance of food to religious formation elucidating the ways ancient and medieval scholars use food restrictions to think about the other Freidenreich illuminates the subtly different ways Jews Christians and Muslims perceive themselves and he demonstrates how these distinctive self conceptions shape ideas about religious foreigners and communal boundaries This work the first to analyze change over time across the legal literatures of Judaism Christianity and Islam makes pathbreaking contributions to the history of interreligious intolerance and to the comparative study of religion *T&T Clark Handbook to Social Identity in the New Testament* J. Brian Tucker,Coleman A. Baker,2014-01-02 Combining the insights of many leading New Testament scholars writing on the use of social identity theory this new reference work provides a comprehensive handbook to the construction of social identity in the New Testament Part one examines key methodological issues and the ways in which scholars have viewed and studied social identity including different theoretical approaches and core areas or topics which may be used in the study of social identity such as food social memory and ancient media culture Part two presents worked examples and in depth textual studies covering core passages from each of the New Testament books as they relate to the construction of social identity Adopting a case study approach in line with sociological methods the volume builds a picture of how identity was structured in the earliest Christ movement Contributors include Philip Esler Warren Carter Paul Middleton Rafael Rodriguez and Robert Brawley **Beyond 400** David J. Cohen,Michael Parsons,2011-01-01 This volume deals with the varied forms of shame reflected in biblical theological psychological and anthropological sources Although traditional theology and church practice concentrate on providing forgiveness for shameful behavior recent scholarship has discovered the crucial relevance of social
