*Twenty Chickens For A Saddle* Robyn Scott, 2013-02-04 When Robyn Scott was six years old her parents abruptly exchanged the tranquil pastures of New Zealand for a converted cowshed in the wilds of Botswana. Once there Robyn and her siblings mostly left to amuse themselves grew up collecting snakes canoeing with crocodiles and breaking in horses in the veld. In the shadow of one of Africa's worst AIDS crises this moving enchanting memoir is an extraordinary portrait of an unforgettable childhood.

**Africa Quarterly**, 2007 **Home and Nation in Anglophone Autobiographies of Africa** Lena Englund, 2023-10-21 This book looks at contemporary autobiographical works by writers with African backgrounds in relation to the idea of place. It examines eight authors' works: Helen Cooper's *The House at Sugar Beach*, Sisonke Msimang's *Always Another Country*, Leila Ahmed's *A Border Passage*, Noo Saro Wiwa's *Looking for Transwonderland*, Douglas Rogers's *The Last Resort*, Elamin Abdelmahmoud's *Son of Elsewhere*, Clemantine Wamariya and Elizabeth Weil's *The Girl Who Smiled Beads*, and Aminatta Forna's autobiographical writing to argue that place is particularly central to personal narrative in texts whose authors have migrated multiple times. Spanning Liberia, Nigeria, Sierra Leone, Egypt, Rwanda, Zambia, and Zimbabwe, this book interrogates the label African writing, which has been criticized for ignoring local contexts. It demonstrates how in their works these writers seek to reconnect with a bygone Africa, often after complex

experiences of political upheavals and personal loss The chapters also provide in depth analyses of key concepts related to place and autobiography place and privilege place and trauma and the relationship between place and nation *School Library Journal* ,2008 Finding A Flame Lily Judy Rawlinson,2015-10-12 A young working class girl leaves the dreary monochrome world of postwar Britain for the vibrant colours and contrasting way of life in a tiny remote town in the African bush An authentic memoir and an entertaining satisfying read **The Fix** Jonathan Tepperman,2017-10-19 Longlisted for the FT McKinsey Business Book of the Year Award Readers looking for good news will love this book Jonathan Tepperman makes a compelling case in lively and personal prose that strong leaders willing to forsake political orthodoxy for good ideas can actually solve the toughest problems the world faces Ann Marie Slaughter author of Unfinished Business The world s most intractable problems solved ambitious lessons in leadership and hope from free thinkers and innovators who have tackled our biggest challenges From immigration reform to energy resources from political paralysis to inequality and extremism we are beset by a raft of huge and seemingly insurmountable issues The daily newspapers the rolling 24 hour television news portray a world in terminal decline What goes under reported are the success stories Here taking ten of the most knotty issues we face today Jonathan Tepperman examines unsung individuals bold and innovative attempts against all odds and expectations to solve some of the important problems governments have struggled with for decades Each chapter tells the story of one government that s found a way to avoid the snares that entangle most of the others The solutions described in the book aren t speculative they ve all already been tried and they work Controversial provocative but always stimulating Tepperman here offers a powerful data driven case for optimism Written with flair and an infectious exuberance The Fix is a book to restore hope to the pessimistic and offer both practical advice and inspiration in a time of relentless bad news The Publishers Weekly ,2008 **The World** Lonely Planet,2017-10-01 Lonely Planet The world s leading travel guide publisher Every country in the world in one guidebook Lonely Planet s The World A Traveller s Guide to the Planet We ve taken the highlights from the world s best guidebooks and put them together into one 900 page whopper to create the ultimate guide to Earth This user friendly A Z gives a flavour of each country in the world including a map travel highlights info on where to go and how to get around as well as some quirkier details to bring each place to life In Lonely Planet s trademark bluespine format this is the ultimate planning resource From now on every traveller s journey should start here Nearly 1000 colour photos of must visit highlights More than 200 colour maps The guidebook every traveller needs to own About Lonely Planet Lonely Planet is a leading travel media company and the world s number one travel guidebook brand providing both inspiring and trustworthy information for every kind of traveller since 1973 Over the past four decades we ve printed over 145 million guidebooks and phrasebooks for 120 languages and grown a dedicated passionate global community of travellers You ll also find our content online and in mobile apps video 14 languages 12 international magazines armchair and lifestyle books ebooks and more enabling you to explore every day Lonely Planet enables the curious to experience the
