Athens which have rendered her illustrious it is my object to combine an elaborate view of her literature with a complete and impartial account of her political transactions The two volumes now published bring the reader in the one branch of my subject to the supreme administration of Pericles in the other to a critical analysis of the tragedies of Sophocles Two additional volumes will I trust be sufficient to accomplish my task and close the records of Athens at that period when with the accession of Augustus the annals of the world are merged into the chronicle of the Roman empire In these latter volumes it is my intention to complete the history of the Athenian drama to include a survey of the Athenian philosophy to describe the manners habits and social life of the people and to conclude the whole with such a review of the facts and events narrated as may constitute perhaps an unprejudiced and intelligible explanation of the causes of the rise and fall of Athens

Athens Edward Bulwer-Lytton,2016-02-04 Edward Bulwer Lytton was a well known English novelist in the 19th century and he s been immortalized for coining famous phrases like pursuit of the almighty dollar and the pen is mightier than the sword In addition to being a politician he wrote across all genres from horror stories to historical fiction and action titles
